✓ Introducing the IEHP OB Pay-for-Performance (P4P) Program

Inland Empire Health Plan (IEHP) is pleased to announce the OB Pay-for-Performance (P4P) Program for IEHP's OB Providers. The OB P4P Program provides an opportunity for OB Providers to earn a financial reward for improving the quality of maternity care for IEHP's pregnant and postpartum Members.

The OB P4P Program includes performance-based incentives for the provision of specific prenatal and postpartum services. Payments will be administered for select services performed by eligible Providers to IEHP Members who meet the program criteria. This technical guide is designed to support OB practices to earn financial incentives for quality performance.

Thank you for your continued partnership in providing quality health care to IEHP Members. IEHP will regularly assess this performance-based incentive program and make updates consistent with our aim to improve the quality of care and health outcomes for our Members.

Please direct questions and/or comments related to this program to the IEHP Provider Relations Team at (909) 890-2054 or IEHP's Quality Department at QualityPrograms@iehp.org.

Provider Eligibility and Participation

Providers active, credentialed, and contracted with IEHP for Medi-Cal and Covered California, that provide obstetrical services, are eligible to participate in the OB P4P Program. Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs) are not eligible to participate in the IEHP OB P4P Program.

Eligible Members

The population for this P4P program includes IEHP's Medi-Cal and Covered California Members who are pregnant. Note that the Member must be active with IEHP on the date the services are performed (DOS).

Minimum Data Requirements

- <u>Claims</u>: Claims data is foundational to performance measurement and is essential in the 2025
 OB P4P Program. Complete, timely and accurate claims should be submitted through normal
 reporting processes for obstetrical services rendered to IEHP Members. Please use the
 appropriate codes listed in Appendix 1 to meet P4P service requirements.
- <u>Immunizations</u>: To maximize performance in immunization-based services, IEHP strongly encourages all Providers to report all immunizations via the California Immunization Registry (CAIR2). For more information on how to register for CAIR2, please visit http://cairweb.org. IEHP is working closely with CAIR2 in establishing a data sharing arrangement to be used in OB P4P reporting.
- <u>Validation</u>: P4P data is subject to retrospective data validation and must pass all quality assurance checks. Recoupment of incentive payments may occur if retrospective review of submitted claims fail medical record validation.

✓ P4P Services

There are nine maternity care services, including postpartum care services, for which OB Providers are eligible to receive a financial incentive. IEHP identified these as plan-wide areas of opportunity to improve the care and outcomes of Members receiving pregnancy-related health care services.

Services are listed below, in alphabetical order, and technical specifications and details for each P4P service are included in the Appendix.

- 1. Initial Prenatal Visit
- Flu Immunization
- Manifest MedEx (MX) Connectivity
- 4. Perinatal Chlamydia Screening
- 5. Perinatal Depression Screening
- 6. Postpartum Blood Pressure Screening*
- 7. Postpartum Diabetes Screening*
- 8. Postpartum Visit
- 9. Tdap Vaccine

^{*}Postpartum Blood Pressure Screening and Postpartum Diabetes Screening are condition-specific and only apply to certain subpopulations of women for whom such a screening is indicated. See the Appendix for details.

Quality Incentive Payments

Eligible Providers will receive payment for each targeted service provided to an IEHP Member who meets the criteria to be included in the IEHP OB P4P Program. Table 1 below indicates the amount a Provider will receive per service delivered to a qualifying Member. The pregnancy-related services that were selected for inclusion in the OB P4P Program are spread across the full pregnancy term (e.g., chlamydia screening generally occurs at the first prenatal visit; Tdap is indicated in the third trimester).

| TABLE 1: PAYMENT PER P4P SERVICE | | | | | |
|--|---------------------|--|--|--|--|
| P4P Service | Financial Incentive | | | | |
| 1. Initial Prenatal Visit | \$ 90 | | | | |
| 2. Flu Immunization | \$75 | | | | |
| 3. Manifest MedEx (MX) Connectivity | Monitoring Only | | | | |
| 4. Perinatal Chlamydia Screening | \$ 75 | | | | |
| 5. Perinatal Depression Screening | \$ 75 | | | | |
| 6. Postpartum Blood Pressure Screening | \$50 | | | | |
| 7. Postpartum Diabetes Screening | \$ 75 | | | | |
| 8. Postpartum Visit | \$ 75 | | | | |
| 9. Tdap Vaccine | \$ 90 | | | | |

IEHP recognizes that some of the included pregnancy-related services are dependent on Member engagement and therefore may require more time spent between Member and Provider for education and to address the Member's questions or concerns. IEHP also acknowledges that some services require more administrative time to report. For those reasons, IEHP will provide a higher financial incentive payment for completion of the initial prenatal visit and administration of the Tdap vaccine, as indicated in the table above.

The OB P4P incentive for a given P4P service is available only once per calendar year per Member, even if a Member has more than one pregnancy in a calendar year. Reminder: the Member's OB Provider receives their contractually agreed upon payment for services rendered for that Member for each pregnancy and the OB P4P incentive is provided only as an incentive according to the terms of the OB P4P Program.

Members must be active with IEHP on the date the service was completed (DOS).

✓ Payment Timeline

IEHP will issue incentive payments to qualified Providers following the schedule below:

✓ How to Report

1. Conduct P4P incentive service.

4. IEHP to process OB P4P incentive payment from data received through IPA claims.

2. **IMPORTANT:** Submit Claim for service(s) using valid incentive codes to IPA within 60 days of the service.*

5. Eligible OB Providers to receive incentive payment through Electronic Fund Transfer or mailed check.

3. IPA will report all claims to IEHP through encounter reporting process.

6. Incentive payment
Remittance Advice
available on IEHP
Secure Provider Portal.

*Provider to submit claims with rendered incentive services following their normal reporting processes (to their assigned IPA). There is no additional action needed for claims submission by the provider to receive eligible incentive payment(s).

Getting Help

Please direct questions and/or comments related to this program to the IEHP Provider Relations Team at **(909) 890-2054** or to IEHP's Quality Department at *QualityPrograms@iehp.org*.

✓ Program Terms and Conditions

- Good Standing: A Provider currently contracted with Plan for the delivery of services, not pursuing any litigation or arbitration or has a pending claim pursuant to the California Government Tort Claim Act (Cal. Gov. Code Sections 810, et seq.) filed against Plan at the time of program application or at the time additional funds may be payable, and has demonstrated the intent, in Plan's sole determination, to continue to work together with Plan on addressing community and Member issues. Additionally, at the direction of the CEO or their designee, Plan may determine that a Provider is not in good standing based on relevant quality, payment, or other business concerns.
- Participation in the IEHP OB P4P Program, as well as acceptance of incentive payments, does not in any way modify or supersede any terms or conditions of any agreement between IEHP and Providers or Independent Physician Associations (IPAs), whether that agreement is entered into, prior to or subsequent to, the date of this communication.
- There is no guarantee of future funding for, or payment under, any IEHP Provider incentive program. The IEHP OB P4P Program and/or its terms and conditions may be modified or terminated at any time, with or without notice, at IEHP's sole discretion.
- Criteria for calculating incentive payments are subject to change at any time, with or without notice, at IEHP's sole discretion.
- In consideration of IEHP's offering of the IEHP OB P4P Program, participants agree to fully
 and forever release and discharge IEHP from any and all claims, demands, causes of action,
 and suits, of any nature, pertaining to or arising from the offering by IEHP of the IEHP
 OB P4P Program.
- The determination of IEHP regarding performance scoring and payments under the IEHP OB P4P Program is final.
- As a condition of receiving payment under the IEHP OB P4P Program, Providers must be credentialed and contracted with IEHP or one of IEHP's contracted IPAs.
- Providers will not charge IEHP for medical records for HEDIS, Risk Adjustment, and other health plan operational activities.

✓ Appendix 2 : Provider Quality Resource

This Provider Quality Resource is designed for IEHP Providers and their staff to assist in delivering high quality health care to their members. The goal is to provide IEHP Providers and their practice staff with various online resources that will help enhance their quality care in the following focus areas: Adult Immunizations, Behavioral Health, and Perinatal Care.

Our goal is to provide IEHP Providers and their practice staff with a comprehensive resource for enhancing quality in the discussed healthcare topics. Collaboration between IEHP and Providers has the potential to boost IEHP's quality rating, maximizing available funds for Provider incentive programs.

To request materials for your practice, please contact the IEHP Provider Call Center at (909)890-2054, (866)223-4347 or email ProviderServices@iehp.org.

We are dedicated to supporting our Providers and working together to improve the quality of care for our community. Together, we can "heal and inspire the human spirit." Thank you for all you do to provide quality health care to IEHP Members.
