

2026 Quality Incentive Programs

For Providers

Global Quality P4P PCP Program

Description:

- The IEHP Global Quality P4P PCP Program is for high performance and year-over-year improvement in key quality performance measures.

Provider Eligibility:

- Must be active and contracted with IEHP for Medi-Cal and have active assigned Medi-Cal Members at the time of payment.
- PCPs must have a signed Incentive Program contract amendment prior to the start of the 2026 Global Quality P4P PCP Program performance period in order to be eligible to receive incentive dollars.
- Have at least 200 Medi-Cal Members (per Provider location), assigned as of July 2026 and December 2026.
- Have at least 20 Members in the denominator as of December 2026 for each quality measure to qualify for scoring.
- Quality Score must be 1.0 or higher in order to qualify for incentive payments.
- Have at least three quality measures that meet minimum denominator requirements in order for a global quality score to be calculated.
- Provider must be connected to CAIR2 (must enter immunizations into the registry and use to look up prior immunizations given to assigned patients) by July 1, 2026.

Line of Business:
