

2025 Quality Improvement Activity #1: Improving Health Outcomes Strategy Form

IPA Name: _____

Inland Empire Health Plan has made health outcomes a central area of focus in its Quality Strategy. The intent is for IPAs to develop a quality improvement activity with an emphasis on driving improvements and their root causes in the following areas:

- Hemoglobin A1c Control
- Controlling High Blood Pressure
- Asthma Medication Ratio among
- Well-Child Visits in the First 0-15 Months of Life

IPAs must establish a quality improvement project to improve health outcomes and share project details with IEHP. Please complete the Plan-Do-Study-Act (PDSA) tool below as you work through your Quality Improvement plan. Completed PDSA tool must be emailed to QualityPrograms@iehp.org by the due dates listed below.

PDSA Name:

DUE by: 4/30/2025

PLAN	
Anticipated date to be completed:	Responsible Party:
Plan a strategy (define desired outcome and steps to execute the plan)	
Steps to execute the plan:	

DUE by: 03/31/2026

DO (May – Dec 2025)

Conduct the study (determine what happened during the study)

STUDY (Jan – Feb 2026)

Assess the study and outcomes (conclude what was learned from the study, why was/was not the study successful?)

ACT (Jan – Feb 2026)

Decide on next steps (Finalize next steps and what will be adopted from the study outcomes to improve health outcomes)

Any questions related to the PDSA tool, please reach out to IEHP's Quality Department at QualityPrograms@iehp.org.
