Medi-Cal Rx Transition Implementation

Dear IEHP Pharmacy Provider,

In 2019 Governor Gavin Newsom issued [Executive Order N-01-19](#) that will transition of all Medi-Cal Pharmacy benefits from Managed Care (such as IEHP) to Fee-for service (FFS). This transition has been implemented as of **January 1, 2022**.

IEHP and DHCS strongly encourage our Pharmacy Providers to visit the Medi-Cal Rx website (<https://medi-calrx.dhcs.ca.gov>) to:

- Obtain general information about the transition
- Register for and access to the Magellan Medi-Cal Rx portal
- Review the schedule of trainings available on the new Medi-Cal Rx Portal

As the Medi-Cal Rx Transition has been implemented, Pharmacy Benefits for Medicaid Members should be billed directly to Medi-Cal Rx. Members will receive new cards with the appropriate processing information (This is the same pharmacy benefit information currently found on their Medi-Cal Benefits Identification Card or BIC).
