Subject: URGENT: Recalls, Market Withdrawals & Safety Alerts, Oct 2022

Dear IEHP Providers,

According to the FDA recall guidance, Title 21 Code of Federal Regulations Part 7 (21 CFR part 7), recalled products must be promptly removed or corrected. In an effort to promote health and wellness of our members, please review your records and notify members who may have been impacted by these recalls and market withdrawals.

The table below only contains the Class I recalls. The full list of Drug Recall Notifications is updated weekly on the IEHP website and includes all classes of recalls and market withdrawals. That information can be found by typing **Recall** in the Search box, or by visiting this page: <https://www.iehp.org/en/providers/pharmacy-services/safety-resources?target=safety-practices>
