Subject: DualChoice (HMO D-SNP): Medicare Non-FDA Approved Drug Co-Billing

Dear IEHP Pharmacy Providers,

As a reminder, non-FDA approved drugs, are NOT covered by IEHP DualChoice, but may be covered by Medi-Cal Rx. Examples of non-FDA approved drugs include Armour Thyroid and phenazopyridine.

Please follow the steps below for processing non-FDA approved drug prescriptions. Prior Authorization may be required by Medi-Cal Rx.

Steps for Processing
<ol style="list-style-type: none"> 1. Bill IEHP first 2. When claim rejects, bill claim to Medi-Cal Rx as a Secondary insurance. Enter "3" in the OCC ID field. (Other Coverage Exists Claim Not Covered)

Primary: IEHP (MedImpact)	Secondary: Medi-Cal Rx
RxBin: 015574	RxBin: 022659
RxPCN: ASPROD1	RxPCN: 6334225
RxGroup: IEH01	RxGroup: MEDICALRX

If you have any additional questions on billing claims, please:

- Contact Medimpact at 1-888-495-3147
- Contact Medi-Cal Rx Customer Service at 1-800-977-2273

Sincerely,
IEHP Pharmaceutical Services
