Subject: **New DHCS Drug Use Review (DUR) Board Educational Articles**

We review the **DHCS DUR Board Educational Articles** regularly for important information we can pass on to our Provider Network to improve the quality and cost-effectiveness of prescribing and dispensing practices for Medi-Cal Members.

Educational interventions include ongoing dissemination of information, through the Medi-Cal provider bulletin process about clinically important, drug-specific therapy problems.

Please find the most recent, and all noteworthy articles that may benefit your practice, below:
