Subject: **Important - Institutional 837 Processing Update**

The processing of Institutional 837 (Inpatient Claim) files paid at APR-DRG rates will be delayed due to a software pricing issue.

IEHP is currently processing outpatient, MS-DRG, and Per Diem rate-based 837I files and expect to have a resolution soon.

Please expect payment for Institutional 837 (Claim) files by the end of next week.

If you have any questions, please contact IEHP's EDI Specialists at EDISpecialist@iehp.org.
