Subject: REMINDER: Cologuard Home Screening Kit – IEHP Plan Risk

A notice was recently sent confirming IEHP is financially responsible for the Exact Science Cologuard Home Screening Kit for delegated Medi-Cal Members.

The Medi-Cal Provider Standing Orders program notifications and opt-in forms were sent on June 14, 2024, giving IPAs and Providers the opportunity to have a screening kit mailed directly to their Members' homes.

Please remind Providers to opt-in to **IEHP's 2024 Standing Orders Lab Programs!**

If a Provider chooses **not** to opt-in to the IEHP Colorectal Cancer Screening Standing Orders Program, assigned IEHP Members can still receive a home screening kit by following the steps below:

- Visit <https://www.cologuardhcp.com/resources/how-to-order> and choose one option:
 - EpicCare Link
 - Customized Electronic Options
 - Fax or eFax

OR

- Contact IEHP Delegation Oversight Team – Jessica Gonzalez gonzalez-j6@iehp.org to assist in scheduling a visit with the Exact Science's Field Team.

Enrolling in the IEHP Standing Orders program allows IEHP to coordinate with Exact Science to send the Cologuard Home Screening Kit to all assigned IEHP Members, 45 – 75 years of age, who are due for the recommended screening prior to the end of the year. Enrolling ensures that Members receive a home screening kit; no additional steps by the Provider are required.

If you have any questions, please contact the IEHP Provider Call Center at (909) 890-2054, (866) 223-4347 or email ProviderServices@iehp.org
