Inland Empire residents can continue to enroll in IEHP Covered through Covered California for the 2025 plan year; premium payments for January 1st can be made through January 31, 2025! We are thrilled to once again offer **the lowest-cost silver plan option in Region 17 (Inland Empire)** and will continue to serve as the **lowest weighted average rate change** in Covered California’s Individual Market.

Renewal notices were sent to your IEHP Covered Members for the 2025 plan year. As we enter the Open Enrollment, please remind Members to complete their binder payments (IEHP Covered first month’s premium) and re-elect IEHP Covered to re-enroll into the 2025 plan year.
