Subject: **2025 Global Quality P4P Coding Resource Tool**

The **Global Quality P4P Coding Resource tool** is updated for **2025**. This tool aims to bridge quality initiatives with recommended coding and documentation.

The provider benefits of this coding resource tool:

- Quickly reference coding recommendations during patient office visits.
- Reference the tool when billing the qualifying Global Quality P4P measures.

The tool is intended to assist and is **not** an exhaustive list of incentive-related codes. For a complete list of measure descriptions and codes, please reference the Global Quality P4P Program Guide.

The resource tool can be found on the IEHP Provider Website

[ProviderServices.iehp.org](https://providerservices.iehp.org) > [Programs and Services](#) > [Provider Incentive Programs](#) > [Pay for Performance Program](#) > [Global Quality P4P Program](#)

The screenshot shows the IEHP Provider Website interface. The top navigation bar includes links for News & Updates, Resources, Programs & Services, Pharmacy, and Join our Network. A search bar and a Provider login button are also present. The main content area is titled "Global Quality P4P Program" and contains a brief introduction. Below this, there is a list of resources with download links. The resource "2025 Global Quality P4P Coding Resource Tool (PDF) Published: April 2, 2025" is highlighted with a yellow box, and a red arrow points to it from the left sidebar.
