Subject: 2025 Covered CA Quality Transformation Program Guide – Update

Inland Empire Health Plan (IEHP) has made the following update to **the 2025 Covered CA Quality Transformation Program (CCA QTP) for PCPs:**

Glycemic Status Assessment for Patients with Diabetes: Measure Update

The following **CPT** code has been added to identify **Glycemic Status Tests:**

83037* – Hemoglobin; glycosylated (A1C) by device cleared by FDA for home use

*Code is optional. If the CPT code is selected, it must also be billed with the corresponding CPT-CAT-II code for the compliance of the eligible measure.

Please review these updates and leverage the [2025 Covered CA Quality Transformation Program Guide](#) to maximize your efforts in the 2025 performance year, which can also be found at: www.providerservices.iehp.org > Programs & Services > Provider Incentive Programs > Pay for Performance > Covered California Quality Transformation Program.

Thank you for your continued partnership in providing quality healthcare to our IEHP's Members.

All communications sent by IEHP can also be found at: www.providerservices.iehp.org > News and Updates > Notices. Questions related to this program can be sent to IEHP's Provider Call Center at 909-890-2054, (866) 223-4347, providerservices@iehp.org or email IEHP's Quality Department at QualityPrograms@iehp.org.
