Subject: **DATE CORRECTION: Upcoming DHCS Audit**

The Department of Health Care Services (DHCS) is conducting an annual audit of IEHP beginning **January 26, 2026 through February 6, 2026.**

During the audit, DHCS auditors may contact physician offices to review facilities and speak with the office administrators or managers about operations as they pertain to the physician's service for IEHP Members and their relationship to IEHP.

We do not know which offices DHCS may choose to outreach during the time period of **January 26, 2026 through February 6, 2026.**

We ask that you cooperate completely with DHCS if they contact your office, including providing any medical records or documentation they may request.

If you have any questions, please contact the IEHP Provider Call Center at (909) 890-2054, (866) 223-4347 or email ProviderServices@iehp.org
