

# Living the Mission Awards

IEHP's *Living the Mission Awards* honor Providers, Community Partners, and entities whose actions and contributions embody IEHP's Mission, Vision, and Values. The nomination window is now open and will close on Friday, February 13.

Four different *Living the Mission Awards* are conferred each year at the IEHP Annual Mission Conference:

## INSPIRE AWARD

This award honors a Provider, entity, or Community Partner that exemplifies IEHP's Mission, "We heal and inspire the human spirit." This is demonstrated by:

- Having compassion that extends to all the people they serve
- Investing time and energy in their community through acts of service
- Inspiring and motivating others to serve and to be their best
- Being a servant-leader that others want to follow and emulate

## OPTIMAL CARE AWARD

This award honors a Provider or entity that exemplifies world-class care and outcomes in preventive care, chronic care, or hospital care. This is demonstrated by:

- Clinical care and outcomes that exceed national benchmarks and consistently follow best practice
- Care that is seamlessly coordinated from prevention through the whole care continuum
- Care that is built on cultural humility and respectful, holistic, human-centered experiences

*Note: This award is based on IEHP review of clinical outcome data and is not open for public nomination.*

## VIBRANT HEALTH AWARD

This award honors a Provider, entity, or Community Partner that exemplifies engagement with the well-being and joyful life of the residents of the Inland Empire. This is demonstrated by:

- Passionate participation in raising awareness of and reducing the social determinants of ill-health
- Actively supporting core individual and community needs such as food security, shelter, and safety
- Working to ensure health and well-being are equitably experienced across our diverse communities

## CREATIVITY AND INNOVATION AWARD

This award honors a Provider, entity, or Community Partner that exemplifies the courage to "break the mold" to address the health concerns of the residents of the Inland Empire. This is demonstrated by:

- Daring to experiment and do something to truly shift the paradigm
- Innovating to improve care for our communities
