Subject: Public Health Advisory: Ebola disease outbreak in the Democratic Republic of the Congo and Uganda

Inland Empire Health Plan (IEHP) has been notified of a Public Health Advisory issued by Riverside University Health System (RUHS) regarding the recent Ebola disease outbreak in the Democratic Republic of the Congo and Uganda.

As of June 4, 2026, the Centers for Disease Control and Prevention (CDC) has confirmed that there are no cases of Ebola in the United States linked to this outbreak, and the overall risk to the American public and travelers remains low.
