Inland Empire Health Plan (IEHP) has updated the 2026 Global Quality (GQ) P4P Program Guide. Please see below for the following updates:

Initial Health Appointment

Effective immediately, IEHP will update the **IHA measure description to a 120-day allowance**, applicable to **all newly enrolled IEHP Members, regardless of age**.

This change has been made to align the GQ P4P Initial Health Appointment with the Department of Health Care Services (DHCS) requirements.

Post Discharge Follow-Up

Effective immediately, IEHP has added **CPT code 99349** to the **Post Discharge Follow-Up (PDFU)** measure.

See the program guide for code description.

Please update your billing process and continue to follow best billing practices.
