

FLU VACCINE NOTICE:

Access to Pharmacy Vaccine Network

IEHP

Inland Empire Health Plan

Annual influenza vaccination remains the best way to help prevent serious illness during the **2026-2027** flu season.

KEY UPDATES

1

CDC/ACIP continues to recommend **annual influenza vaccination for everyone 6 months and older** without contraindications.

2

IEHP Medi-Cal, IEHP DualChoice, and IEHP Covered members may receive flu vaccines through the IEHP Pharmacy Vaccine Network.

Medi-Cal members under 19 years of age must receive VFC-covered vaccines through their PCP or a VFC-enrolled pharmacy.

3

Adults **65 years and older** should preferentially receive a high-dose, recombinant, or adjuvanted influenza vaccine when available.

PROVIDER INFORMATION

1

VFC vaccines are available at no cost for eligible Medi-Cal members under age 19.

2

For IEHP Medi-Cal members age 19 and older and IEHP Covered members, providers may bill IEHP using a CMS-1500 claim form and the appropriate CPT code.

3

For IEHP DualChoice members, vaccine reimbursement is the responsibility of the member's IPA.

Members receiving the flu vaccine may potentially help quality scores and Pay for Performance (P4P) scores.

For questions, please contact the Provider Call Center at **(909) 890-2054**.

Thank you for your partnership in protecting our community during flu season.
