Subject: **2026 Diabetic Eye Exam Outreach Campaign – Sign Up Today!**

IEHP members who have diabetes require a retinal eye exam and we would like to partner with your practice to provide these essential services. Vision providers who choose to participate in the 2026 Vision Outreach campaign will receive monthly contact information for qualifying members residing in your immediate area.

Expectations for participating Vision providers:

- ✓ **Outreach to Members**: Utilize the member list provided by IEHP solely for this outreach initiative; these lists may not be used for any other purpose.
- ✓ **Schedule Appointments:** Arrange member appointments for diabetic retinal eye exams to be completed by December 31, 2026.
- ✓ **Submit Visit Encounter**: Include coding for examination results through the standard claims process.
- ✓ **Report Findings:** Submit examination results to the member's Primary Care Provider.

Please note that IEHP no longer offers a member incentive for this examination.
