Subject: **2027 Electronic Data Interchange (EDI) Manuals - Updated**

Inland Empire Health Plan (IEHP) has updated its 2027 Electronic Data Interchange (EDI) Manuals.

All manuals, **effective January 1, 2027**, comply with Local, State, Federal, and contractual requirements.

The 2027 EDI Manuals have been finalized and are available for review in Compliance C360.

Summaries of the impacted changes are also distributed via blast notice, as needed.

We will continue to inform Delegates as policies and procedures are revised. In addition, please ensure your organization's staff are familiar with these policies.

If you have any questions in regard to the manual, please contact Jessica Gonzalez at (909) 256-6020 or Gonzalez-J6@iehp.org.
