2ND ANNUAL

2027 Global Quality P4P PCP Best Practices Summit

We're excited to invite you to the 2027 Global Quality P4P PCP Best Practices Summit, a collaborative event focused on advancing excellence in Primary Care.

Join us as we explore proven strategies that drive success in the Global Quality P4P PCP Incentive Program. This is a unique opportunity to learn from high-performing peers across our Provider network, gain practical insights, and be inspired by real-world examples of quality in action.

January 29, 2027
8:30 AM - 3:00 PM

REGISTRATION COMING DECEMBER 3, 2026

Summit Highlights

Provider Recognition

Celebrate the top 20 Providers for Measurement Year 2025

Interactive Breakout Sessions

Choose from a variety of engaging sessions designed to support excellence in primary care delivery

Collaborative Learning

Hear from high-performing peers and explore innovative approaches to improving quality outcomes

Topics Include

- Quality fundamentals, documentation, and chronic condition management
- Care delivery optimization: testing workflows & follow-up
- Pediatirc Best Practices
- Digital quality tools: e-measures, data exchange, and compliance refreshers
