**Subject:** **2027 Contract Enhancements**

---

IEHP and DHCS are initiating several enhancements, effective January 1, 2027. Many of these changes will require contract updates.

To better assist you in preparing for these changes, we will host webinars **designed to address updates specific to your organization.**

**2027 Enhancements include:**

- ✓ Capitation adjustments for all lines of business: Medi-Cal, IEHP DualChoice and/or IEHP Covered
  - Including incentive structure adjustment.
- ✓ Provider reimbursement previously received through Proposition 56 will be incorporated into prospective TRI payments.
- ✓ Quality-based panel changes

**Note:** Not all updates will affect your practice; therefore, an individualized approach will be implemented. You should receive your webinar invitation within the next week or so.

**You or a representative from your organization is required to attend.**

Each of these webinars will address your update specifically and in detail.
