

Attachment: Definitions and Resources

Definitions:

Alcohol Misuse: Screening and Behavioral Counseling Interventions in Primary Care means screening for alcohol misuse and providing persons engaged in risky or hazardous drinking with brief behavioral counseling interventions to reduce alcohol misuse.

(<https://www.uspreventiveservicestaskforce.org/Page/Document/RecommendationStatementFinal/alcohol-misuse-screening-and-behavioral-counseling-interventions-in-primary-care>)

Alcohol Use Disorder means that a patient meets the criteria in the *Diagnostic and Statistical Manual* (DSM) for a substance use disorder resulting from alcohol use.

Behavioral Counseling Interventions for Alcohol Misuse means activities delivered by primary care clinicians and related health care staff to assist patients in adopting, changing, or maintaining behaviors proven to affect health outcomes and health status including appropriate alcohol use.

Available Trainings:

A preliminary list of trainings and resources is included below. Updates will be available on the Department of Health Care Services (DHCS) web site.

National Institute on Alcohol Abuse and Alcoholism (NIAAA) Clinician’s Guide Online Training “Video Cases: Helping Patients Who Drink Too Much”

- Four interactive, 10-minute video cases
- Implementing Single Question and Alcohol Use Disorder Identification Test (AUDIT) Screening Tools
- Evidence-based clinical strategies
- Patients with different levels of severity and readiness to change
- Free Continuing Medical Education (CME)/CE credits for physicians and nurses through Medscape®

(<http://www.niaaa.nih.gov/publications/clinical-guides-and-manuals/niaaa-cliniciansguide-online-training>)

SBIRT Core Training Program: Screening, Brief Interventions, and Referral to Treatment

- Four hour training: \$50 per individual; group rates are available
- Continuing Education Units (CEUs) available (<http://www.sbirtraining.com/sbircore>)

Substance Abuse and Mental Health Services Administration and the Health Resources and Services Administration (SAMHSA-HRSA) Center for Integrated Health Solutions: Motivational Interviewing

- Three-part, pre-recorded webinar series
- Includes recording, presentation, and transcript
- Additional resources
- No certificate available; no charge

(<http://www.integration.samhsa.gov/clinical-practice/motivational-interviewing>)

Substance Use in Older Adults: Screening and Treatment Intervention Strategies

- Three hour training
- California CE Certificate at no charge
- \$15.00 for the course and 3.00 NAADAC CEUs and 8.00 NBCC clock hours
