MEDI-CAL APPROVED COES FOR TRANSPLANTATION

Updated July 31, 2025

Though June 30, 2026

Medi-Cal Approved Centers of Excellence (COE) for Transplantation

Centers are listed by type of organ transplant. Transplant program Surgical (S) or Medical (M) Director, and program contact names follow the facility name. Only Medical Directors are listed for Bone Marrow Transplant Centers.

Adult applies to facilities approved for clients ≥ 21 years old (y.o.) and Pediatric applies to facilities approved for clients < 21 y.o. Clients referred to Integrated Systems of Care Division (ISCD)/California Children's Services (CCS) Program staff by Medi-Cal approved COEs for pediatric transplant are case managed by ISCD Branch/CCS Program staff.

Bone Marrow Transplants (BMT)

BMT contacts are administrative and quality control. Medical Directors are from the [FACT roster for California](#)
