To: All PCPs, OBs, and BH Providers
From: IEHP – Provider Services
Date: December 15, 2023
Subject: **DHCS Provider Webinar - Targeted Rate Increase**

DHCS will be hosting an open webinar for providers on December 19, 2023, to discuss provider targeted rate increases effective for dates of service on or after January 1, 2024, and allow for questions to be answered.

DHCS will be creating an FAQ based on these questions and topics covered during the webinar.

Please note: This is not a webinar hosted by IEHP.

IEHP encourages our provider network to attend as we feel this will be a valuable opportunity to learn more about the Targeted Rate Increase that is a result of the Managed Care Organization (MCO) Provider Tax.
