You're Invited – Register Today and Start Learning!

We are happy to partner again with WPATH Global Education Initiative, to bring you the hybrid Foundations training.

Course Objective: The Foundations Course is intended for Providers of all experience levels, and from all specialties, to learn and implement of the WPATH Standards of Care. This course focuses on the importance of an interdisciplinary care team approach and cross-specialty foundational knowledge – what all Providers should know about gender development, mental health considerations, legal, policy and ethical issues, primary care and preventative health, puberty blockers and hormonal treatment, surgical overviews, and much more.

Registration & Cost:

IEHP will generously supplement your registration fee for this accredited course! **Attendees only pay \$25 upfront and once you complete all components, that fee will be refunded.**

The **WPATH GEI Online Foundations Course** includes the following components:

1. 9-hour self-paced Didactic Sessions (pre-recorded), **which attendees can stream starting May 2, 2024 on the Course Platform.**
2. One 4-hour Live Streamed Case Discussion Panels and Q&A Panel, which **attendees MUST attend** on May 29, 2024, from 1pm – 5pm.

Continuing Education: 15.00 Credits included.

To register, click the link or access the QR code from your mobile device: <https://wpath.org/login>

This course fulfills the Foundations requirement for members pursuing [WPATH GEI SCOS Certification](#).

All materials for the GEI Foundations Course, including Faculty Bios, Handouts, PDF copy of the SOCv8, and Accreditation information, will be available through the Course Platform. As an attendee benefit, you will have access to the Course Platform and all Foundations Course content through June 30, 2024.
