2. COMMITTEE OVERVIEW

A. Public Policy Participation Committee

11. Review PNA findings and have a process to discuss improvement opportunities with an emphasis on Health Equity and Social Drivers of Health. IEHP must allow its PPPC members to provide input on selecting targeted health education, cultural and linguistic, and QI strategies;
12. Provide input on advice, including but not limited to, Population Health Management, PNA findings, Health Equity, and Quality.
13. IEHP will provide sufficient resources to PPPC to support the required activities, including support PPPC in engagement strategies such as consumer listening sessions, focus groups, and/or surveys.

STRUCTURE:

- A. The PPPC is chaired by the IEHP Chief Communications and Marketing Officer (CCMO). The CCMO makes recommendations and reports findings to the Chief Executive Officer (CEO) on an as-needed basis. The CEO may address any pertinent recommendations or findings by the Committee to the IEHP Governing Board at a regularly scheduled public meeting. Potential issues are referred to the appropriate business unit for review and action.
- B. PPPC maintains a designated coordinator with a written job description detailing the coordinator's responsibilities, which includes having responsibility for managing the operations of PPPC in compliance with statutory, rule, and contract requirements.
- C. IEHP's Selection Committee is tasked with selecting members of PPPC and demonstrates a good faith effort to ensure that the Selection Committee is comprised of a representative sample of each of the persons referenced below to allow for different perspectives, ideas, and views

MEMBERSHIP:

- A. PPPC's diverse Membership consists of 30 selected IEHP Members and/or their families/caregivers from both Medi-Cal and IEHP DualChoice (HMO D-SNP) lines of business. PPPC members are selected based on responses from Members who are contacted through outreach by IEHP on an annual basis every January with an effective date of March of that same year.
- B. PPPC members must be linked to an active IEHP enrolled Member – either themselves and/or their children and/or their parents and/or caregivers of children, including foster youth or a spouse with linkage to IEHP because of a disability. PPPC membership shall reflect the geography and the membership make-up of IEHP's total enrollment. The Selection Committee will make good faith efforts to include representatives from diverse and hard-to-reach populations, with a specific emphasis on persons who are representatives of or serving populations that experience Health Disparities such as individuals with diverse racial and ethnic backgrounds, genders, gender identity, and sexual orientation and physical disabilities.

2. COMMITTEE OVERVIEW

A. Public Policy Participation Committee

MEETINGS:

- A. PPC meets on a quarterly basis. Special Committee meetings may be called by the CCMO when necessary. Typical meetings last approximately two (2) hours, dependent on the need and taking into consider the times and formats needed to ensure the highest participation possible.
- B. IEHP provides the location for all meetings, whether virtually or in person, and all necessary tools and materials to run meetings, including making the meeting accessible to all participants and providing accommodations to allow all individuals to attend and participate in the meeting. Transportation will be provided, if requested.
- C. Regularly scheduled meetings are open to the public, with notification of meeting information publicly posted on IEHP's website in a centralized location 30 calendar days prior to the meeting, and in no event later than 72 hours prior to the meeting.
- D. The CCMO shall manage the order and flow of the meeting discussions.
- E. In the event a dispute arises concerning conduct and/or procedural matters not specifically addressed herein, the CCMO may resolve and otherwise rule on the matter(s).

2. COMMITTEE OVERVIEW

A. Public Policy Participation Committee

- F. Agendas for the PPPC meetings shall be prepared by the CCMO, with input as needed from the CEO or other staff, who shall be responsible for determining when and what items are to be included.
- G. At least once annually IEHP will assess how well new Members understand policies and procedures affecting quality and Health Equity. Their understanding will be acquired via surveys and/or focus groups and/or listening sessions. Based on the feedback, IEHP will assess accordingly and will act on opportunities for improvement and share the actions taken with the PPPC. In addition, at least one (1) meeting per year will include the topic, “Assessing Member Understanding of Content” of a communication or marketing piece.⁴
- H. Ombudsman reports are included (if any) in the quarterly updates.

MINUTES:

- A. Minutes are recorded and transcribed for all meetings by a transcribing vendor and Marketing Specialists. The minutes include the date, hours, and place of the meeting, notice of the meeting, names of the PPPC members and staff present and absent, and all discussions that take place. Minutes are posted on IEHP’s website and submitted to DHCS no later than 45 calendar days after each meeting. Written reports or other forms of written communication submitted are included as attachments in the minutes. Unless the reading of the minutes of the PPPC meeting is requested by a PPPC member, such minutes may be approved without reading if a copy has been previously provided to each committee member. Minutes are retained for no less than 10 years and provided to DHCS upon request.

REPORTS:

- A. Issues discussed by the Committee may be part of the monthly IEHP Governing Board Status Report as deemed by the CEO.
- B. IEHP must complete and submit to DHCS annual an *Annual CAC Member Demographic Report* by April 1 of each year. 2. COMMITTEE STRUCTURE

C. Quality Management Committee

ROLE:

- A. The Quality Management Committee and Health Equity Transformation Committee (QMHETC) directs the continuous monitoring of all aspects of health care being administered to IEHP Members, with oversight by the IEHP Chief Quality Officer (CQO), Chief Medical Officer (CMO) or physician designee, in collaboration with the Chief Health Equity Officer (CHEO), who functions as the Plan’s Chief Health Equity Officer.
- B. Objectives of the QMC include:
1. Review, oversight and evaluation of delegated and non-delegated Quality Management and Health Equity Transformation Program (QMHETP) activities, including the accessibility of health care services and actual care rendered;
 2. Analyzing and evaluating the results of QMHETP activities including annual review of results of performance measures, utilization data, peer review, grievance information, consumer satisfaction surveys, and findings and activities of other committees, such as the Public Policy Participation Committee.
 3. Ensuring continuity and coordination of care;
 4. Oversight of delegated activities such as Utilization Management (UM), QMHETP, Population Health Management (PHM)) and Credentialing/Recredentialing;
 5. Oversight of non-delegated Credentialing/Recredentialing activities, facility and medical record compliance with established standards, Member experience, quality and safety of care and services, access to care, and adequacy of treatment;
 6. Instituting corrective actions to address performance deficiencies, including policy recommendations, and ensuring appropriate follow-up of identified performance deficiencies. Monitoring Member interaction at all levels, representing the entire range of care, from the Member’s initial enrollment to final outcomes; and
 7. Reviewing quality of care, potential quality incidents (PQI), practitioner office site quality, interpreter services, and internal file review reports.
- C. The QMHETC is responsible for annual evaluation, updates, and approval of the QMHETP & Culturally Linguistically Appropriate Services (CLAS) including policies, procedures, and activities, providing direction for development of the annual Work Plan and Calendar, and making recommendations for improvements to the IEHP Governing Board, as needed.
- D. Ancillary Subcommittees are instituted to assist with study development as needed. The QMHETC reviews subcommittee activity reports and is responsible for periodic assessment and redirection of Subcommittee activities and recommendations.
1. The QMHETC receives updates from the Public Policy Participation, Peer Review, Credentialing, UM, Compliance, Pharmacy and Therapeutics Subcommittees, and Quality Improvement Council at least quarterly or more frequently, as indicated.
 2. IEHP may delegate QMHETP activities to those entities with current National Committee

2. COMMITTEE STRUCTURE

C. Quality Management Committee

for Quality Assurance (NCQA) accreditation. The IEHP QMHETC and Compliance Committees provide oversight of these delegated activities.

FUNCTION:

A. The following elements define the function of the QMHETC in monitoring and oversight for care administered to Members:

1. Review
 - a. Review, analyze, and evaluate results of QMHETP activities at least annually and revise, as necessary;
 - b. Identify and prioritize quality issues, institute needed actions and ensure follow-up;
 - c. Review behavioral health care reports for quality issues;
 - d. Review and approve clinical practice and preventive health guidelines; and
 - e. Review the Program Descriptions of delegated entities on an annual basis.
2. Evaluation
 - a. Assess the direction of health education resources;
 - b. Seek methods to increase the quality of health care for the served population;
 - c. Design and direct QMHETP objectives, goals, and strategies;
 - d. Develop and assign responsibility for achieving goals;
 - e. Develop and monitor Corrective Action Plan (CAP) performance;
 - f. Recommend policy decisions;
 - g. Ensure incorporation of findings based on Member and Provider input/issues into IEHP policies and procedures; and
 - h. Ensure practitioner participation in the QMHETP through planning, design, implementation, or review;
3. Oversight
 - a. Oversee the identification of trends and patterns of care;
 - b. Provide oversight for the IEHP UM Program and Delegate UM functions;
 - c. Provide oversight and direction for Subcommittees and related programs and activities;
 - d. Provide oversight of behavioral health care services;
 - e. Oversee the IEHP Credentialing Program and delegated credentialing functions;
 - f. Oversee and direct IEHP Disease Management Programs;

2. COMMITTEE STRUCTURE

C. Quality Management Committee

4. Monitoring
 - a. Monitor quality improvement activities;
 - b. Monitor clinical safety;
 - c. Monitor grievances and appeals for quality issues;
 - d. Report progress, actions taken, progress in meeting QMHETP objectives, improvements made and key issues to the IEHP Governing Board, as needed; and
 - e. Develop and monitor improvement action plan opportunities and performance.

STRUCTURE:

- A. The QMHETC is designated by and accountable to the IEHP Governing Board for oversight and performance responsibility, the supervision of activities by the IEHP CQO, CMO, or physician designee, in collaboration with the Health Equity Officer. IEHP ensures that a broad range of network Providers, including but not limited to hospitals, clinics, county partners, physicians, subcontractors, downstream subcontractors, and Members, actively participate in the QMHETC or in any subcommittee that reports to the QMHETC.

MEMBERSHIP:

- A. Appointed Committee membership is comprised of the IEHP CQO, CMO, CHEO or physician designee, IEHP Medical Directors, participating IPA Medical Directors, network Providers and Pharmacists, and appointed representatives from the Public Health Departments of Riverside County and/or San Bernardino County, participating pharmacists. IEHP ensures participating Providers are representative of the Plan's network and include, at minimum, network Providers who provide health care services to Members affected by Health Disparities, Limited English Proficiency (LEP) Members, Children with Special Care Needs (CSHCN), Senior Persons with Disabilities (SPDs), and Members with chronic conditions.
 1. The IEHP CQO, CMO, CHEO or physician designee serves as the Chairperson.
 2. A Behavioral Health Practitioner representing the appropriate level of knowledge to adequately assess and adopt healthcare standards, is present to assist with behavioral health issues and aspects of the QMHETP. The Behavioral Health Practitioner must be a medical doctor or have a clinical PhD or PsyD and may be a medical director, clinical director or participating practitioner from IEHP or behavioral healthcare delegate (if applicable).
 3. Prospective appointed Physician and non-physician members of the Committee are subject to verification of license, and malpractice history prior to participating on the Committee.
 4. Prospective Physician and non-physician members not providing requested information to perform verification in a timely manner, or who do not meet IEHP's requirements upon verification may not participate on the Committee.

2. COMMITTEE STRUCTURE

C. Quality Management Committee

- B. Any external committee members must be screened prior to joining the QMHETC to ensure they are not active on either the Office of Inspector General (OIG) or General Services Administration (GSA) exclusion lists.
 - 1. QMHETC members must be screened before being confirmed and monthly, thereafter. The Compliance department and QM department collaborate to ensure Committee members undergo an OIG/GSA exclusion screening prior to scheduled QMHETC meetings.
 - 2. QM notifies the Compliance department of any membership changes in advance of the QMHETC meeting so that a screening can be conducted prior to the changes taking effect.
- C. QMHETC includes multidisciplinary representation from IEHP departments. Participating IEHP staff include but are not limited to the Health Equity Officer, Civil Rights Coordinator, and representatives from QM, UM, Behavioral Health and Care Management, Pharmaceutical Services, Member Services, Community Health, Health Education, Grievance and Appeals; and Provider Experience. IEHP staff participating on the QMHETC have been selected to allow input and technical expertise related to Member and Provider experience, encounter data, and to provide links back to other IEHP departments.
- D. The Quality System's Administrative Assistant acts as secretary to the Committee.
- E. Non-appointed guests may attend QMHETC meetings but are required to sign the Committee attendance record, which includes a statement of confidentiality and conflict of interest disclosure form.
- F. The IEHP CQO, CMO, or physician designee in collaboration with the CHEO selects Medical Directors, Physicians, and non-physician members for Committee membership from the IEHP Provider Network.

TERMS OF SERVICE:

- A. IEHP staff attend as permanent members of the QMHETC. The full term of service for a non-IEHP physician or non-physician member is two (2) years, with additional terms as recommended by the Committee. Public Health Department representatives serve for two (2) years and are selected by each County Health Department, with approval by the IEHP CQO, CMO, or physician designee. The determination of whether any Practitioner members or public health representatives may serve additional terms is at the discretion of the IEHP CQO, CMO, or physician designee and CHEO.

VOTING RIGHTS:

- A. Voting rights are restricted to the appointed external Committee Members, CQO, CMO, CHEO, Vice President of Quality or physician designee and IEHP Medical Directors. Other IEHP staff do not have voting privileges.

QUORUM:

2. COMMITTEE STRUCTURE

C. Quality Management Committee

- A. Voting cannot occur unless there is a quorum of voting members present. For decision purposes, a quorum is defined as the Chairperson or IEHP Medical Director and two (2) other appointed Committee members.
1. A Behavioral Health Practitioner must be present for behavioral health issues.
 2. Non-physician Committee members may not vote on medical issues.

MEETINGS:

- A. The QMHETC meets at least quarterly, with additional meetings as necessary. Issues that arise prior to the next scheduled QMHETC meetings that need immediate attention are reviewed by the IEHP CQO, CMO, or physician designee and reported back to the QMHETC when applicable.
- B. Interim issues requiring Committee approval may be approved by an ad hoc teleconference called by the Chairperson.

MINUTES:

- A. IEHP has a standardized format and process for documentation of meetings, attendees, and action items for the QMHETC and related Subcommittees. Detailed minutes are recorded at each meeting, with review by the Chairperson. Minutes include recommendations, actions and activities addressed in committee meetings. Minutes are dated, signed, and reflect responsible persons for follow-up actions. Minutes are stored in a confidential and secure place with access only by authorized staff. The Committee approves minutes at the next scheduled meeting.
- B. Meeting minutes are maintained and submitted to the Department of Health Care Services (DHCS) quarterly.

REPORTS:

- A. QMHETC findings, recommendations and actions are prepared after each meeting and reported through the IEHP Chief Medical Officer (CMO) to the IEHP Governing Board. A written summary is submitted to DHCS upon request and made publicly available on IEHP's website at www.iehp.org on at least a quarterly basis. Information in the QMHETP Summary reports sent to the IEHP Governing Board may include but not be limited to: Overview of Delegation Oversight Activities, QMHETP Reports, Review of QMHETP & CLAS Annual Evaluation, QMHETP Program Description, CLAS Program Description, and QMHETP and CLAS Work Plan. The QMHETP and CLAS Work Plan includes yearly comprehensive plan of reports to be performed including studies that adequately address the health care and demographics pertinent to IEHP Members.

CONFIDENTIALITY:

- A. All appointed members of the QMHETC, participating IEHP staff and guests are required to sign the Committee attendance record, which includes a statement of confidentiality and conflict of interest disclosure form, at each meeting. IEHP complies with Health Insurance

2. COMMITTEE STRUCTURE

C. Quality Management Committee

Portability and Accountability Act (HIPAA) regulatory requirements for confidentiality and avoidance of conflict of interest. All records are maintained in a manner that preserves the integrity in order to assure Member and Practitioner confidentiality is protected.

RECUSAL POLICY:

- A. If a Committee member has an interest that may affect or be perceived to affect the member's independence of judgment, the member must recuse himself/herself from the voting process. This recusal includes but is not limited to refraining from deliberation or debate, making recommendations, volunteering advice, and/or participating in the decision-making process in any way.
- B. The Chairperson will review the criteria that Committee members should use to determine whether to recuse themselves from the voting process at the beginning of each meeting and ask whether any member needs to recuse themselves.

AFFIRMATION STATEMENT:

- A. The QMHETC attendance record signed by all QMHETC members, IEHP participating staff and guests includes an affirmation statement acknowledging that utilization decisions made by the Committee for IEHP Members are based solely on medical necessity. IEHP does not compensate or offer financial incentives to Practitioners or individuals for denials of coverage or service. The affirmation statement also addresses conflict of interest and confidentiality issues:

“As a member of the IEHP Quality Management & Health Equity Transformation Committee charged with the duties of evaluation and improvement of the quality of care rendered to Members of IEHP, I recognize that confidentiality is vital to the free, candid and objective discussions necessary for effective management. Therefore, I agree to respect and maintain the confidentiality of all discussions, deliberations, records and other information generated in connection with all committees and other activities, and I understand that by signing this agreement, I am binding myself by contract to maintain such confidentiality. I agree that I will not make any voluntary disclosure of such confidential information except to persons authorized to receive such information. I also understand that as a Committee member I cannot vote on matters where I have an interest and that I must declare that interest and refrain from voting until the issue has been resolved. Utilization decisions for Members are based on medical necessity. There are no financial incentives for denial of coverage or service.”

- B. IEHP abides by the California Health and Safety Code that includes the following statement: “A health care service plan that authorizes a specific type of treatment by a provider shall not rescind or modify this authorization after the provider renders the health care service in good faith and pursuant to the authorization. This section shall not be construed to expand or alter the benefits available to the enrollee or subscriber under a plan.”¹

E. Pharmacy and Therapeutics Subcommittee

ROLE:

- A. Delegated by the Quality Management and Health Equity Transformation Committee (QMHECTC), the Pharmacy and Therapeutics (P&T) Subcommittee monitors the formulary for IEHP DualChoice (HMO D-SNP) and covered physician administered drugs (PADs) under both Medi-Cal and IEHP DualChoice, oversees medication prescribing practices by IEHP Providers, assesses usage patterns by Members, reviews and updates pharmaceutical management procedures annually, and assists with study design and development of clinical therapeutic guidelines that are primarily drug-related.

FUNCTION:

- A. The primary functions of the P&T Subcommittee include, but are not limited to: ^{1,2}
1. Develops and documents procedures to ensure appropriate drug review and inclusion;
 2. Bases clinical decisions on the strength of scientific evidence and standards of practice, including assessing peer-reviewed medical literature, pharmacoeconomic studies, outcome research data, and other related information as it determines appropriate;
 3. Considers the therapeutic advantages of drugs in terms of safety and efficacy when selecting formulary drugs;
 4. Reviews policies that guide exceptions and other utilization management processes, including drug utilization review, quantity limitations, generic substitutions, and therapeutic interchange;
 5. Evaluates and analyzes treatment protocols and procedures related to the Plan's formulary at least annually;
 6. Reviews and approves all clinical prior authorization criteria, step therapy protocols, and quantity limit restrictions applicable to each covered drug;
 7. Reviews new United States Food and Drug Administration (FDA)-approved drugs and new uses for existing drugs;
 8. Ensures that IEHP's formulary drug list covers a range of drugs across a broad distribution of therapeutic categories and classes and recommended drug treatment regimens that treat all disease states and do not discourage enrollment by any group of Members;
 9. Ensures that IEHP's formulary drug list provides appropriate access to drugs that are included in broadly accepted treatment guidelines and that are indicative of general best practice at the time; and

AFFIRMATION STATEMENT:

- A. Each member must sign the following affirmation statement acknowledging that utilization decisions are based on appropriateness of care and service. IEHP does not compensate or offer incentives to practitioners or individuals for denials. The affirmation statement also addresses code of conduct, conflict of interest and confidentiality issues:

“As a member of the IEHP P&T Subcommittee, charged with the duties of evaluation and improvement of the quality of care rendered to Members of IEHP, I recognize that confidentiality is vital to the free, candid and objective discussions necessary for effective management. Therefore, I agree to respect and maintain the confidentiality of all discussions, deliberations, records, and other information generated in connection with all committees and other activities, and I understand that by signing this agreement, I am binding myself by contract to maintain such confidentiality. I agree that I will not make any voluntary disclosure of such confidential information except to persons authorized to receive such information. I also understand that as a Subcommittee member I cannot vote on matters where I have an interest and that I must declare that interest and refrain from voting until the issue has been resolved. Utilization decisions for Members are based on medical necessity. There are no financial incentives for denial of coverage or service.”

- B. IEHP abides by the California Health and Safety Code, Section 1371.8 that includes the following statement: “A health care service plan that authorizes a specific type of treatment by a Provider shall not rescind or modify this authorization after the provider renders the health care service in good faith and pursuant to the authorization. F. Credentialing Subcommittee

ROLE:

- A. The Credentialing Subcommittee is responsible for reviewing and approving or denying individual Practitioners who are directly contracting with IEHP for denial or approval of Practitioner’s participation in the IEHP network. The Subcommittee monitors the IEHP Credentialing and Recredentialing Program and makes recommendations for modification, as necessary.

FUNCTIONS:

- A. The following elements define the function of the Credentialing Subcommittee in reviewing individual Practitioners for participation in the IEHP network:
1. Review credentials for Practitioners who do not meet established thresholds and give thoughtful consideration of the credentialing information for those Practitioners directly contracted or applying with IEHP;¹
 2. Approve Practitioner’s continued participation in IEHP’s network every 36 months, at minimum in conjunction with National Committee for Quality Assurance (NCQA) guidelines;²
 3. Ensure the process for notifying Practitioners of the credentialing and recredentialing decision 60 calendar days of the credentialing subcommittee decision.³
 4. Review, analyze and recommend any changes to the IEHP Credentialing and Recredentialing Program policies and procedures on an annual basis or as deemed necessary.
 5. Ensures that files that meet established criteria are reviewed and approved by a medical director, designated physician or the Subcommittee.⁴

STRUCTURE:

- A. The Credentialing Subcommittee is structured to provide review of Practitioners applying for participation with IEHP and to ensure compliance with IEHP requirements. Activities of the Subcommittee are reported to the Quality Management and Health Equity Transformation Committee (QMHETC) on a quarterly basis or more frequently for issues of a more serious nature.

MEMBERSHIP:

- A. Subcommittee membership is composed of an IEHP Medical Director or designee as
