
9. ACCESS STANDARDS

A. Access Standards

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members and Providers.

POLICY:

- A. All applicable Practitioners including Primary Care Providers (PCPs) and Specialists must meet the access standards delineated below to participate in the IEHP network.
- B. IPAs are responsible for monitoring their network to ensure adherence with the access standards described in this policy.
- C. IEHP monitors plan-wide adherence to these access standards through IEHP and IPA performed access studies, review of grievances and other methods.
- D. IEHP shall not prevent, discourage, or discipline a network Provider or employee for informing a Member about the timely access standards.¹
- E. All Members must receive access to all covered services without regard to sex, race, color, religion, ancestry, national origin, creed, ethnic group identification, age, mental disability, physical disability, medical condition, genetic information, marital status, gender, gender identity, sexual orientation, or identification with any other persons or groups defined in Penal Code Section 422.56, except as needed to provide equal access to Limited English Proficiency (LEP) Members or Members with disabilities, or as medically indicated.²

DEFINITIONS:

- a. **Appointment Waiting Time** – The time from the initial request for health care services by a Member or the Member’s treating Provider to the earliest date offered for the appointment for services inclusive of time for obtaining authorization from the Plan or completing any other condition or requirement of the Plan or its contracting Providers.³ A grievance, as defined in Rule 1300.68(a)(1), regarding a delay or difficulty in obtaining an appointment for a covered health care service may constitute an initial request for an appointment for covered health care services.
- b. **Emergency Medical Condition** – This is a medical condition which is manifested by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:
 - 1. Placing the health of the individual (or in the case of a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; or

9. ACCESS STANDARDS

A. Access Standards

2. Serious impairment to bodily function; or
 3. Serious dysfunction of any bodily organ or part.
- c. **Initial Health Assessment** – See Policy 10A, “Initial Health Assessment.
 - d. **Initial Prenatal Visit** – These are health care services needed to determine potential risk factors and the care plan for a woman during the period of pregnancy.
 - e. **Network** - A discrete set of network Providers, the Plan has designated to deliver all covered services for a specific network service area.⁴
 - f. **Network Adequacy** - The sufficiency of a Plan's network to ensure the delivery of all covered services, on an ongoing basis, in a manner that meets the network accessibility, availability, and capacity requirements.⁵
 - g. **Network Provider** – Any Provider⁶ located inside or outside of the network service area of a designated network.⁷
 - h. **Network Services Area** - The geographical area, and population points contained therein, where the plan is approved by DMHC to arrange health care services consistent with network adequacy requirements. "Population points" shall mean a representation of where people live and work in the state of California based on United States Census Bureau population data and United States Postal Service (USPS) delivery route data, and made available annually by DMHC on the web portal accessible at www.dmhc.ca.gov.⁸
 - i. **Non-Urgent (Routine) Prenatal Care** – These are routine medical visits throughout the period of pregnancy. These visits consist of periodic exams and monitoring for the determination of the condition of both the fetus and the mother.
 - j. **Non-Urgent (Routine) Specialist Visit** – These are referrals to a health care professional who has advanced education and training in a specific area.
 - k. **Non-Urgent (Routine) Visit** – These are health care services needed to diagnose and/or treat medical conditions that do not need urgent care or emergent attention.
 - l. **Physical Examination** – This is a routine preventive exam occurring every one to three (1-3) years.
 - m. **Preventive Care** - Health care provided for prevention and early detection of disease, illness, injury or other health condition and, in the case of a full-service plan includes but is not limited to all of the basic health care services.^{9,10,11}

¹⁰ CA Health & Saf. Code § 1345(b)(5)

¹¹ CA Health & Saf. Code § 1367.03(e)(3)

9. ACCESS STANDARDS

A. Access Standards

- n. **Triage or Screening** – This means the assessment of a Member’s health concerns and symptoms through communication with a physician, registered nurse (RN), or other qualified health professional acting within his or her scope of practice and who is trained to screen or triage an enrollee who may need care, for the purpose of determining the urgency of the Member’s need for care. Other qualified health professionals include nurse practitioners (NP) and physician assistants (PA).
- o. **Urgent Care Services** – These are health care services needed to diagnose and/or treat medical conditions that are of enough severity that care is needed urgently but are not emergency medical conditions.
- p. **Urgent Prenatal Visit** – These are health care services needed to diagnose and/or treat actual or perceived prenatal conditions that are of sufficient severity that care is needed urgently but are not emergency medical conditions.
- q. **Urgent Visit** – These are health care services to address an urgent but non-emergency medical condition.
- r. **Walk-In Clinic Visits** – If an IEHP Member is informed by the PCP or the PCP’s office staff that they may “walk-in” on a particular day for urgent or routine visits, the IEHP Member must be seen at that office on the same day in which the Member was advised to visit.

PROCEDURES:

A. Access Standards for Clinical Services

- 1. Appointment Availability Standards - Members must be offered appointments within the following timeframes:¹²

Primary Care Providers (PCP) and Obstetrics/Gynecology (OB/GYN) Primary Care	
Type of Appointment	Timeframe
Emergency	Immediate disposition of Member to appropriate care setting
Urgent visit for services that do <u>not</u> require prior authorization¹³	Within 48 hours of request
Urgent visit for services that do require prior authorization¹⁴	Within 96 hours of request
Non-urgent (routine) visit^{15,16}	Within 10 business days of request

¹² DHCS-IEHP Two-Plan Contract, 1/10/20 (Final Rule A27), Exhibit A, Attachment 9, Provision 3, Access Requirements

¹³ 28 CCR § 1300.67.2.2

¹⁴ Ibid.

¹⁵ Ibid.

¹⁶ DHCS All Plan Letter (APL) 23-001 Supersedes APL 21-006, “Network Certification Requirements

9. ACCESS STANDARDS

A. Access Standards

Primary Care Providers (PCP) and Obstetrics/Gynecology (OB/GYN) Primary Care	
Type of Appointment	Timeframe
Initial health assessment ^{17,18}	Within 120 calendar days of enrollment
Initial health assessment (under 18 months of age only)	Within 60 calendar days of enrollment
Follow up exam	As directed by Physician

Specialist	
Type of Appointment	Timeframe
Emergency	Immediate disposition of Member to appropriate care setting
Urgent visit for services that do <u>not</u> require prior authorization ¹⁹	Within 48 hours of request
Urgent visit for services that do require prior authorization ²⁰	Within 96 hours of request
Urgent prenatal visit ²¹	Within 48 hours of request
Non-urgent (routine) visit ^{22,23}	Within 15 business days of request
Non-urgent visit for ancillary services (for diagnosis or treatment of injury or other health condition) ²⁴	Within 15 business days of request
Initial Prenatal Visit ²⁵	Within 10 business days of request
Non-urgent (routine) prenatal care ²⁶	Within 10 business days of request
Follow up exam	As directed by Physician

- a. Shortening or Expanding Appointment Times – The applicable waiting time to obtain a particular appointment may be extended if the referring or treating licensed health care Practitioner, or the health professional providing triage or screening services, as applicable, acting within the scope of his or her practice and consistent with professionally recognized standards of practice, has determined and noted in the Member’s medical record that a longer waiting time will not have a detrimental

A. Access Standards

impact on the health of the Member.²⁷

- b. Preventive Care – Preventive care services and periodic follow-up care may be scheduled in advance consistent with professionally recognized standards of practice as determined by the treating licensed health care Practitioner acting within the scope of his or her practice. Periodic follow-up care includes but is not limited to, standing referrals to Specialists for chronic conditions, periodic office visits to monitor and treat pregnancy and other conditions, laboratory, and radiological monitoring for recurrence of disease.²⁸
- c. Missed Appointments – When it is necessary for a Provider or a Member to reschedule an appointment, the appointment shall be promptly rescheduled in a manner that is appropriate for the Member’s health care needs and ensures continuity of care consistent with good professional practice, and ensure the Member’s timely access to needed health care services.²⁹ Please see Policy 9B, “Missed Appointments,” for more information.

2. Waiting Times³⁰

- a. Practitioner Office – For primary or specialty care, the waiting time for a scheduled appointment must be no longer than 60 minutes. Waiting times for Members that are advised to “walk-in” to be seen must be no longer than four (4) hours.
- b. Urgent Care Center – Urgent Care Centers are designed to serve Members, who are unable to make an appointment with their PCP or Specialist for their urgent non-emergent conditions. Urgent Care Centers accept unscheduled walk-in patients; therefore, waiting time in Urgent Care Centers can vary depending on the number of Members waiting to be seen.
- c. Health Plan Call Center – During normal business hours, the waiting time for a Member to speak by telephone with a plan representative knowledgeable and competent regarding the Member’s questions and concerns shall not exceed 10 minutes.³¹ Initial answer by an automatic answering system is acceptable if it has an option to directly access a live person. Calls received after normal business hours (Monday-Friday, 7am-7pm and Saturday/Sunday 8am-5pm) are returned within one (1) business day. Calls received after midnight are responded to the same business day.^{32,33}

9. ACCESS STANDARDS

A. Access Standards

- d. Triage, Screening and Advice – The waiting time to speak by telephone with a physician, registered nurse, or other qualified health professional acting within his or her scope of practice and who is trained to screen or triage a Member who may need care, must not exceed 30 minutes.³⁴
 3. Time or Distance Standards – Time or distance standards apply to OB/GYN primary care services only if a Member elects to use the OB/GYN as a PCP. IEHP does not require OB/GYNs to act as PCPs, regardless of how they are utilized.³⁵
 - a. Proximity of PCPs and OB/GYN Primary Care to Members – IEHP network PCPs must be located within 10 miles or 30 minutes travel time from the Member’s residence, as applicable, based on geographic regions.³⁶
 - b. Proximity of Specialists, OB/GYNs, Behavioral Health, and other Providers – IEHP network Specialists, OB/GYNs, Behavioral Health and other Providers must be located within these distances:³⁷
 - 1) For Riverside County, within 30 miles or 60 minutes travel time from the Member’s residence; or
 - 2) For San Bernardino County, within 45 miles or 75 minutes travel time from the Member’s residence.
 - c. Proximity of Hospital – IEHP network hospitals must be located within 15 miles or 30 minutes travel time from their assigned Members’ residence, as applicable, based on geographic regions.^{38,39}
 4. Proximity of Pharmacy – IEHP network pharmacies must be located within 10 miles or 30 minutes travel time from the Members’ residence, as applicable, based on geographic regions.⁴⁰
 5. Long-Term Services and Supports (LTSS) – IEHP and its IPAs collaborate with facilities to ensure that Members are placed in Skilled Nursing Facilities (SNFs) or Intermediate Care Facility for the Developmentally Disabled (ICF-DDs), as clinically indicated, within these timeframes:⁴¹
 - a. For Members residing in Riverside County, within seven (7) calendar days of request; or
 - b. For Members residing in San Bernardino County, within 14 calendar days of request.
- 5.6. IEHP is responsible for ensuring Members obtain medically necessary covered services

9. ACCESS STANDARDS

A. Access Standards

EnrolleeMember.^{48,49} It is important to note that IEHP or its ~~delegated~~ IPAs may not meet Time or Distance Standards and are not utilizing Telehealth to meet compliance for certain zip codes or specialties due to a lack of available Providers with whom to contract in those specific areas; or when a significant change occurs in the Network and no longer meet time or distance standards, but must have Alternative Access Standards as approved by DHCS.⁵⁰ Please see Policy 14D, “Pre-Service Referral Authorization Process” for more information.

- b. Before submitting an AAS request, IEHP must make good faith efforts to exhaust reasonable contracting options with additional Providers within the time or distance standards.⁵¹
- c. Once received AAS approvals from DHCS, IEHP must inform affected members who reside in the ZIP code where an AAS request was approved by posting all approved AAS on IEHP website within thirty (30) days after DHCS publishes the statewide result.⁵²
- d. The Plan must inform affected Members where DHCS has approved the use of Telehealth to meet time or distance standards in lieu of AAS request.

7.

8. Telehealth Services⁵³

- a. IEHP utilized Telehealth Providers to meet time or distance standards, as well as to provide Members with access to necessary health care services, except for General Surgery, Orthopedic Surgery, Physical Medicine, Rehabilitation, and Hospital services. IEHP must submit documentation to the Department of Health Care Services (DHCS) before using these Telehealth Providers.
- b. The use of Telehealth Providers to meet time or distance standards does not absolve IEHP’s responsibility to provide Members with access to in-person services if the Member prefers.^{54,55,56}
- c. IEHP must provide transportation to a network Provider and meet timely access standards for medically necessary services when a Member is offered a Telehealth visit but request an in-person visit.⁵⁷

9. ACCESS STANDARDS

A. Access Standards

d. If IEHP is unable to arrange for an in-person visit with a network Provider, IEHP must authorize OON services and provide transportation to the appointment as needed.

e. IEHP may use third-party corporate Telehealth Providers due to a Member's choice to use Telehealth or in-person services, IEHP cannot auto-assign a Member to a third party corporate Telehealth Providers.⁵⁸

&f. Telehealth services must be consistent with the criteria outlined in the state and federal laws and regulations and contractual requirements.⁵⁹ IEHP utilizes telehealth as an option for Members to obtain access to necessary health care services.⁶⁰ Please see Policy 18P, "Virtual Care" for more information.

9. Minimum Hours On-Site – PCPs must be on site and available for Member care a minimum of 16 hours per week, or meet the criteria identified in Policies 6D, "Residency Teaching Clinics" and 6E, "Rural Health Clinics." Non-prescribing Behavioral Health Providers (LMFTs and LCSWs) must be available for Member care a minimum of 16 hours per week.

10. Triage, Screening and Advice Services

a. PCP Offices – All PCP sites must maintain a procedure for triaging or screening Member calls, which, at a minimum, shall include the employment, during and after business hours, of a telephone answering machine and/or an answering service and/or office staff, that will inform the caller:^{61,62}

- 1) Regarding the length of wait for a return call from the provider; and
- 2) How the caller may obtain urgent or emergency care, including, when applicable, how to contact another provider who has agreed to be on-call to triage or screen by phone, or if needed, deliver urgent or emergency care.

Triage services must be provided by a physician, registered nurse, or other qualified health professional acting within their scope of practice and who is trained to screen or triage a Member who may need care.⁶³ Examples of qualified health professional may include but not be limited to nurse practitioners (NPs) or physician assistants (PA).

b. After Hours – IEHP provides triage, screening and advice services by telephone 24 hours a day, seven (7) days a week through its Nurse Advice Line (NAL).⁶⁴ By

⁶⁴ Ibid.

9. ACCESS STANDARDS

A. Access Standards

calling the NAL, Members are able to receive assistance with access to urgent or emergency services from an on-call Physician, or licensed triage personnel.⁶⁵ Licensed triage personnel use appropriate protocols and sound medical judgment in determining the disposition of the Member (e.g., refer to Urgent Care, Emergency Department). In the event a Member calls a Physician's office after hours, there must be enough access to information on how to proceed, either through an answering service or phone message instructions.⁶⁶

- c. Follow-Up After Accessing the Nurse Advice Line (NAL) – IEHP informs PCPs through the secure Provider portal, when their assigned Member accesses service through the IEHP NAL, including the Member's medical situation and the disposition of the call.

11. Telephone Procedures

- a. All PCP offices must have an answering machine and/or answering service during and after business hours. Members who reach voicemail must receive detailed instructions on how to proceed, including but not limited to how to obtain urgent or emergency care.⁶⁷
- b. All PCP offices must have an active and working fax machine 24 hours per day, seven (7) days per week. PCP offices that do not have an active and working fax machine should call the Provider Relations Team at (909) 890-2054.
- c. Returning Calls – Provider offices must have a process in place to return Member phone calls.⁶⁸ It is understood that the staff member or Physician with whom the Member wishes to speak, may or may not be the party available to return the Member's call. Consequently, the staff member returning the call may or may not be able to definitively address the Member's issue during the call. However, it is expected that the staff member returning the Member's call be prepared to do at least one of the following during that return phone call:
 - 1) Determine the urgency of the Member's request, solicit more information from the Member if needed, and act accordingly;
 - 2) Reassure the Member if appropriate;
 - 3) Agree to pass a message to the Member's Physician or to another relevant staff member if appropriate; and/or
 - 4) Provide the Member with a timeline or expectation of when the request can be definitively addressed.

9. ACCESS STANDARDS

A. Access Standards

- d. Standards for Returning Calls⁶⁹ – Provider offices must, at minimum, perform and document three (3) attempts to return Member phone calls within three (3) business days for non-urgent calls and within 24 hours for urgent non-emergency calls.
12. Emergency Services - IEHP has continuous availability and accessibility of adequate numbers of institutional facilities, service locations, service sites, and professional, allied, and supportive paramedical personnel to provide covered services including the provision of all medical care necessary under emergency circumstances. IEHP network Physicians and Hospitals must provide access to appropriate triage personnel and emergency services 24 hours a day, seven (7) days a week. Please see Policy 14C, “Emergency Services” for more information.
 - a. Follow-up of Emergency Department (ED) Visits – IEHP is responsible for informing PCPs of their assigned Members that receive emergency care, including information regarding needed follow-up, if any. PCPs are responsible for obtaining any necessary medical records from such a visit and arranging any needed follow-up care.⁷⁰
- B. Hospital Standards** – All contracted Hospitals must provide access for Members that need to be admitted for emergency care, inpatient stay, or to utilize hospital-based diagnostic or treatment services.
- C. Special Access Standards**
1. Sensitive Services for Minors and Adults – Providers and Practitioners must have procedures to ensure that minors and adults have access to sensitive and confidential services as outlined in Policy 9E, “Access to Services with Special Arrangements.”
 2. Religious or Ethical Objections - If a Provider has religious or ethical objections to perform or otherwise support the provision of covered services, IEHP and its IPAs will timely arrange for, coordinate, and ensure the Member receives the covered services through referrals to a Provider that has no religious or ethical objection to performing the requested service or procedure at no additional expense to the Department of Health Care Services (DHCS) or the Member.⁷¹
 3. Access for People with Disabilities – All IEHP facilities and Practitioners are required to maintain access in accordance with the requirements of Title III of the Americans with Disabilities Act of 1990. Each PCP office is assessed to identify if barriers to Member care exist during facility site reviews. Areas audited include but are not limited to: designated parking spaces, wheelchair access, and restroom access for wheelchair users, handrails near toilets, and appropriate signage. If a Provider/Practitioner’s office or building is not accessible to Members with disabilities, an alternative access to care must

be provided. See Policy 9D, “Access to Care for People with Disabilities.”

4. Access and Interpretation Services for People who are Deaf or Hard-of-Hearing and/or with Limited English Proficiency – All IEHP network Providers, including network Pharmacy and Vision Practitioners, must provide services to Members with limited English proficiency in the Member’s primary language. See Policies 9H1, “Cultural and Linguistic Services – Foreign Language Capabilities” and 9D1, “Access to Care for People with Disabilities - Members Who Are Deaf or Hard-of-Hearing.”
5. Access Standards for Behavioral Health Services – The following information delineates the access standards for availability of services to Medi-Cal Members for Behavioral Health care and after-hours emergency services.
 - a. The PCP is responsible for behavioral health/substance use care within his/her scope of practice, otherwise referrals are coordinated through IEHP at (800) 440-4347 or the designated Behavioral Health Plan:
 - 1) Behavioral health care services are provided by the IEHP BH Program as well as County Mental Health and County Drug and Alcohol treatment programs. Medi-Cal Members who meet specialty mental health criteria are referred to the appropriate county for assessment and treatment. Medi-Cal Members receive annual alcohol misuse screening from their PCP and if screened positive, the Member will receive brief intervention and full screening by the PCP or appropriately qualified Provider. Members needing treatment for alcohol dependence or drug addiction are referred for assessment and treatment to the appropriate County Drug and Alcohol treatment program. During normal business hours referral assistance is available through IEHP or directly through the Mental Health Department in the county where the Member resides. After hours, weekends and holidays, referrals must be coordinated through the County Mental Health Departments.

Behavioral Health ⁷²	
Type of Visit	Timeframe
Life-threatening emergency	Immediate disposition of Member to appropriate care setting

⁷² NCQA, 2023 HP Standards and Guidelines, NET 2, Element B, Factor 1-4

9. ACCESS STANDARDS

A. Access Standards

Behavioral Health ⁷²	
Type of Visit	Timeframe
Non-life-threatening emergency	6 hours, or go to the ER
Urgent visit for behavioral health needs that do not require an authorization	Within 48 hours of request
Urgent visit for behavioral health need that do require authorization	Within 48 hours of request
Initial routine (non-urgent) visit with a Behavioral Health Care Provider	Within 10 business days of request
Follow-up routine (non-urgent) visit with a Behavioral Health Care Provider	Within 10 business days of request
Follow-up routine (non-urgent) visit with a Non-Physician Mental Health Care or Substance Use Disorder Provider ^{73,74}	Within 10 business days of the prior appointment or at the clinical judgment of the treating Provider regarding the speed and frequency of medically necessary care

- c. After Hours Access for Behavioral Health Care:
- 1) All Behavioral Health Providers are required to have an automated answering system 24 hours a day, seven (7) days a week, to direct Members to call 911 or go the nearest emergency room for any life threatening medical or psychiatric emergencies.

Monitoring and Corrective Action Plan Process

- A. On a quarterly basis, IEHP reviews and evaluates the Quarterly Monitoring Report Template (QMRT) regarding our ability to meet timely access ~~compliance surveys~~ and network adequacy requirements, ~~including accessibility, availability, continuity of care, and network capacity requirements~~, ~~investigation of complaints, grievances and Appeals, issues of non-compliance with contractual requirements and policy guidance; IEHP network monitoring and oversight assessments, quality of care indicators, data reviews for utilization capacity, and Provider-to-Member ratios; authorization of OON requests, and the provision of transportation services.~~ IEHP's quarterly compliance monitoring process pertaining to network adequacy shall ensure that Members have access to the full range of covered services through an adequate network.^{75, 76}

9. ACCESS STANDARDS

A. Access Standards

B. IEHP monitors network adherence to these access standards through various methods, including but not limited to:

1. On an annual basis, IEHP conducts the Assessment of Network Adequacy Study to assess IEHP's Provider network in areas of Member Experience related to access, access to Providers, and Provider availability such as distribution and ratios. This study uses various sources of data, including but not limited to grievance and appeals data, CAHPS survey data, Annual Behavioral Health Member Experience Survey, Appointment Availability Survey results, and out-of-network data.
2. **Appointment Availability Standards** – On an annual basis, IEHP assesses the network's adherence to appointment availability standards for PCPs, high volume Specialists, Behavioral Health, and Ancillary Providers using the Department of Managed Health Care (DMHC) Provider Appointment Availability Survey (PAAS) Methodology. This methodology includes the use of the DMHC Provider Appointment Availability Survey for PCPs, Specialty Care Physicians and Non-Physician Mental Health Providers. The annual assessment is conducted to monitor the network and act on Providers that are not meeting access standards to bring them into compliance.
 - a. For PCPs, the Plan will not perform a sampling of the Providers. Instead, the Plan will survey all active PCPs.
 - b. For Specialty Care and Ancillary Care Providers, IEHP will follow the sampling methodology as outlined by the DMHC.

Using the DMHC PAAS methodology and tools, IEHP reports on the health plan's overall rate of compliance for each of the time elapsed standards, and that of each IPA in Riverside and San Bernardino Counties (See "Provider Appointment Availability Survey Manual" found on the IEHP website⁷⁷). IEHP may utilize a third-party survey vendor to implement all or part of the DMHC PAAS Survey methodology.

3. **Missed Appointments** – The Quality Management Department monitors missed appointments, follow-up, and documentation efforts through the Facility Site Review (FSR) and Medical Record Review (MRR) survey process.
4. **Waiting Times** – The Quality Management Department monitors office wait times through the FSR/MRR survey process. The Provider Relations Team also monitors office wait times by collecting wait time information during the Provider in-service. On a semi-annual basis, all Practitioners are asked to verify office wait time as part of the Provider Directory verification process. On at least an annual basis, the Quality Improvement (QI) Subcommittee reviews the information collected and makes recommendations on actions to take if Practitioners are found to be non-compliant with office wait time standards.

⁷⁷ <https://www.iehp.org/en/providers/provider-resources?target=forms>

9. ACCESS STANDARDS

A. Access Standards

5. **Time or Distance Standards** – On an annual basis, IEHP conducts the Provider Network Status Study to ensure that the health plan is compliant with time, distance, and Provider to Member ratio standards established by the Centers for Medicare and Medicaid Services (CMS), Department of Health Care Services (DHCS), and DMHC, as well as to monitor guidelines provided by the National Committee for Quality Assurance (NCQA). The QI Subcommittee reviews the findings and makes recommendations on actions to take if the health plan is found to be non-compliant with these standards.
6. **Triage, Screening and Advice** – On a monthly basis, IEHP’s Family & Community Health Department monitors the Nurse Advice Line’s performance and adherence to after-hours triage, screening, and advice standards by reviewing triage call center reports. On at least an annual basis, the QI Subcommittee reviews and makes recommendations on actions to take if the NAL provider is found to be non-compliant with triage, screening, and advice standards.
7. **Telephone Procedures** – IEHP ensures PCPs have an established and maintained process for answering and returning Member calls through the Facility Site Review (FSR) and Medical Record Review (MRR) survey process. Additionally, all network Providers submit their telephone procedures via the Provider Information Verification Form as part of the semi-annual Provider Directory verification process. The QI Subcommittee reviews the information collected and makes recommendations on actions to take if Practitioners are found to be non-compliant with telephone answer and return call wait time standards.
8. **Access for People with Disabilities** – IEHP conducts the Physical Accessibility Review Survey (PARS) assessment on PCP, identified high volume Specialist, identified high volume Ancillary sites and all contracted Community Based Adult Services (CBAS) Providers as part of the FSR and MRR process. Information gathered from the PARS assessment are made available to IEHP Members through the IEHP Provider Directory and the IEHP website. Please see Policy 6B, “Physical Accessibility Review Survey” for more information.
9. **Access and Interpretation Services for People are Deaf or Hard-of-Hearing and/or with Limited English Proficiency** – The Quality Management Department monitors compliance with these standards through these FSR/MRR survey questions:

Facility Site Review Questions

- a. There is 24-hour access to interpreter services for non or Limited-English Proficient (LEP) Members.
 - 1) Interpreter services are made available in identified threshold languages specified for location of site.
 - 2) Persons providing language interpreter services on site are trained in medical interpretation.

9. ACCESS STANDARDS

A. Access Standards

Medical Record Review Question

- a. Primary language and linguistic service needs of non or limited-English proficient (LEP) or hearing-impaired persons are prominently noted.
- C. Additional monitoring is performed through the review of grievances and Potential Quality Incidents (PQIs) for individually identified Providers.
- D. IEHP reviews results of each audit or study and identifies deficiencies as noted in IEHP policies and procedures. Please see Policy 25A4, “Delegation Oversight – Corrective Action Plan Requirements” for more information regarding the CAP process.
- E. IEHP shares with its Delegates the annual plan-wide Appointment Availability and Access Study results. While IEHP does not require Delegates to submit CAPs for identified deficiencies in their network, IEHP does require Delegates to submit their Annual Appointment Availability and After-Hours Access Study program, results, corrective actions taken, follow up call campaigns and proof of Provider training given to remediate any identified deficiencies.

9. ACCESS STANDARDS

B. Missed Appointments

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Providers.

POLICY:

A. Providers must implement and maintain procedures for Members to obtain appointments for routine care, urgent care, routine specialty referral appointments, prenatal care, and initial health assessments, which include procedures for follow-up on missed appointments.^{1,2}

PROCEDURES:

- A. PCPs must have a process in place to follow-up on missed appointments. Appointments must be promptly rescheduled, when necessary, in a manner that is appropriate for the Member's health care needs, ensures continuity of care³ and includes at least the following:
1. Notation of the missed appointment in the Member's medical record.
 2. Review of the potential impact of the missed appointment on the Member's health status including review of the reason for the appointment by a licensed staff member of the PCP's office (RN, PA, NP, DO or MD) as appropriate.
 3. Notation in the chart describing follow-up for the missed appointment including one of the following actions:
 - a. No action if there is no effect on the Member due to the missed appointment [per provider instruction](#); or
 - b. A letter or phone call to the Member as appropriate, given the type of appointment missed and the potential impact on the Member.
 4. At least one (1) attempt must be made to contact a Member due to a missed appointment.
 5. Documentation of the attempts must be entered in the Member's medical record and copies of letters retained [if applicable](#).
 6. If appointments are documented in a separate system from medical records, they must be readily accessible and meet the medical retention requirements.⁴
 7. Office staff in Provider offices must be trained in, and be familiar with, the missed appointment procedure specific to their site.
 8. Providers cannot charge Members for any missed appointments. Please see Policy 18L, "Providers Charging Members."

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

APPLIES TO:

- A. This policy applies to IEHP Medi-Cal Members and living donors to IEHP Medi-Cal Members for the purposes of major organ transplant (MOT).

POLICY:

- A. IEHP provides both Non-Medical Transportation (NMT) and Non-Emergency Medical Transportation (NEMT) services for all prior authorized services and Medi-Cal covered services, which include but are not limited to medical, mental health, substance use, pharmacy, dental, MOT and related travel expenses, and any other benefits covered under Medi-Cal Fee-For-Service (FFS) within the San Bernardino and Riverside Counties.¹

DEFINITIONS:

- A. Non-Emergency Medical Transportation (NEMT) – Transportation to an IEHP or Delegate-approved medical appointment and/or Medi-Cal covered services, which include but are not limited to mental health, substance use, pharmacy, dental and any other benefits delivered through the Medi-Cal FFS by ambulance, litter van, wheelchair van, or air.
- B. Non-Medical Transportation (NMT) – Roundtrip transportation to one’s IEHP or Delegate-approved medical appointment and/or Medi-Cal covered services, which include but are not limited to mental health, substance use, pharmacy, dental and any other benefits delivered through the Medi-Cal FFS by private car, taxi or bus, when the Member has reasonably exhausted other transportation resources.
- C. [Private Conveyance – Transportation via a privately owned vehicle arranged by the Member. This can include the Member’s personal vehicle, or that of a friend or family member. This does not include vehicles that are connected to businesses, such as Uber or Lyft.](#)²

PURPOSE:

- A. To ensure that Members have transportation access to medical, mental health, substance abuse and dental care services.

¹ Department of Health Care Services (DHCS) All Plan Letter (APL) 22-008, Supersedes APL 17-010, “Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses”

² [Ibid.](#)

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

PROCEDURES:

General Information

Member Rights and Responsibilities

A. Members requiring NEMT ~~or NMT~~ should contact IEHP Member Services Department at (800) 440-4347 at least 5 business days prior to requested service to ensure transportation is arranged in a timely manner. ~~or NMT members should contact IEHP's Transportation Broker Call the Car (CTC) at (855) 673-3195 at least five (5) business days~~ 48 hours prior to requested service. The exceptions to the 5 business days policy above are:

1. Dialysis;
2. Pharmacy;
3. Urgent Care;
4. Wound Care;
5. Cancer Treatment (radiation/chemotherapy);
6. Pre-Op Appointments;
7. Surgery;
8. Follow Up appointment from a recent Hospital Discharge;
9. Transplant; ~~and~~
10. Fracture.
11. Infectious Disease (including HIV)
12. Dental
13. Pain Management
14. COVID testing and vaccines.
- 10-15. Laboratory and Radiology (related to pre-op, urgent or STAT requests)

Please note this is not an all-inclusive list. If a NEMT or NMT Member has justification for why IEHP or CTC needs to transport them under 5 business days or 48-hour time frame, the Member may call IEHP's Member Services Department at (800) 440-4347 or CTC at (855) 673-3195.

B. Members must contact IEHP within 24 hours when transportation services are no longer required or canceled. ~~Members may receive written communication from IEHP's Utilization Management (UM) Department for failure to notify IEHP after three (3) incidences.~~

IEHP Responsibilities

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

- A. IEHP or its Delegate coordinates with transportation providers to ensure we meet timely access standards when providing NEMT and NMT.³ See Policy 9A, “Access Standards” for more information.
- B. IEHP makes its best effort to provide and coordinate NEMT and NMT for services not covered by the health plan, including but not limited to specialty mental health, substance use disorder, dental, and any other benefits delivered through the Medi-Cal FFS delivery system.⁴
- C. IEHP has designated its Manager of Transportation Services as the Plan’s transportation liaison, who ensures that authorizations are processed during and after business hours. Providers and Members may call, request, and schedule urgent and non-urgent NEMT transportation and receive status updates on their NEMT rides through the following avenues. Calls and requests will be routed directly to the Plan’s transportation liaison, as appropriate:
 - 1. For Providers - Provider Call Center at (866) 223-4347; and
 - 2. For Members - Member Services Department at (800) 440-4347/(800) 718-4347 (TTY).
 - 3. Neither IEHP nor the Transportation Broker modify the PCS form after the PCP or treating Physician has prescribed the form of transportation, unless multiple modalities were selected.⁵
- D. IEHP bears authorization and financial responsibility for transportation services.
- E. IEHP shares the PCS form or communicates the approved mode of NEMT and dates of service to the Transportation Broker.⁶

Coverage and Limitations

- A. IEHP will provide NEMT/NMT services to:
 - 1. The Member and one (1) attendant;
 - 2. Unaccompanied minor(s) when applicable State or Federal law does not require parental consent for the minor’s service; and
 - 3. Parent or a guardian when the Member is a minor.
- B. With written consent of a parent or guardian, IEHP may arrange NMT services for an unaccompanied minor. IEHP will ensure all necessary written consent forms are received prior to arranging transportation for an unaccompanied minor, except when State or Federal law does not require parental consent for minor’s service.⁸

³ DHCS APL 22-008

⁴ Ibid.

⁶ DHCS APL 22-008

⁷ Ibid.

⁸ Ibid.

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

- C. There are no limits in receiving NEMT/NMT services as long as the trip is validated to meet the guidelines stipulated in the Department of Health Care Services (DHCS) All Plan Letter (APL) 22-008.
- D. Members may only travel ~~between home address on file and the~~ to medical/mental health facility, within the San Bernardino and Riverside counties, unless the service is not available within the two (2) counties.
1. Transportation will be provided to Members whose access to medically necessary services are beyond the required time and distance standards. Please see Policy 9A, “Access Standards” for more information.
- E. Transportation to a Member’s home setting from facility or hospital is also covered when medical transportation by ambulance, litter van or wheelchair transportation are required due to Member’s medical and physical condition.
- F. NEMT and NMT will be arranged to locations that meet the Member’s needs ~~and that are closest to their home address on file. For example, pharmacy requests should be no more than five (5) miles away from the address on file and requests to a laboratory should be no more than ten (10) miles away from the address on file. The only exception is when service is not available within the mileage range described above.~~
- G. Members may only be transported to IEHP-contracted Urgent Care within their region of residence.
- H. IEHP will not provide transportation services to:
1. Narcotics Anonymous (NA) and Alcoholics Anonymous (AA) Meetings;
 2. Social Security Income (SSI) evaluations;
 - ~~3. Workman’s Compensation Appointments;~~
 - ~~4.3. IEHP Community Resource Center (CRC) unless a class has been scheduled through the Health Education Department;~~
 - ~~5.4. Any service that is not covered by IEHP or Medi-Cal FFS; and/or~~
 - ~~6.5. A Medicare Fee-For-Service (FFS) Member traveling out of San Bernardino/Riverside Counties.~~
- I. IEHP and CTC can direct all NEMT and NMT requests to in-network transportation providers. If no in-network provider can accommodate the Member’s transportation needs based on their medical, physical, or mental condition, arrangements are made for the Member to receive services from an appropriately qualified provider outside the IEHP network.
- J. Requests for NEMT ~~or NMT~~ that do not adhere to APL 22-008 may be denied or partially approved. In this event, a Notice of Action is sent to the Member and requesting Practitioner.

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

This notification must include rationale for denial, alternative transportation recommendations, and information on how to appeal the decision.⁹

J.K. Requests for NMT that do not adhere to APL 22-008 may be canceled. In this event, an IEHP Transportation Services team member will contact the member by phone.

Travel Expenses

- A. IEHP covers transportation-related travel expenses determined to be necessary for NEMT and NMT, including the cost of transportation and reasonably necessary expenses for meals and lodging for Members receiving medically necessary covered services and their accompanying attendant, including living MOT donors.¹⁰
- B. IEHP covers the salary of the accompanying attendant determined to be necessary, as well as if the attendance is not a family member.¹¹
- C. IEHP will provide retroactive reimbursement for transportation-related travel expenses. The Plan may also consider to pre-payment, as appropriate.¹²

Enrollment of NEMT/NMT Providers

- A. All NEMT and NMT Providers must comply with Medi-Cal enrollment requirements.¹³ Providers that continue to be non-compliant with these requirements may be subject to disciplinary action, including the issuance of corrective action plan, leading up to termination of contract.
- B. IEHP will allow NEMT and NMT Providers to participate in its network for up to 120 calendar days, pending the outcome of the enrollment process. IEHP will track the 120-day timeframe and will terminate its contract with the Provider upon notification from DHCS that the Provider has been denied enrollment in the Medi-Cal program, or upon expiration of the one 120-day period.¹⁴

Major Organ Transplants

- A. IEHP provides NEMT or NMT services to individuals, who may not be enrolled in IEHP Medi-Cal but serve as living organ donor for an IEHP Member.¹⁵
 - 1. PCS forms are not required for MOT donors requesting NEMT services to ensure the donor has the ability to get to the hospital for the MOT.

¹² Ibid.

¹³ Ibid.

¹⁴ Ibid.

¹⁵ Ibid.

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

2. IEHP allows an attendant for the donor if the Plan determines that an attendant to accompany the donor is necessary.

Non-Emergency Medical Transportation (NEMT)

A. IEHP provides the following four (4) modalities of NEMT transportation:¹⁶

1. NEMT ambulance services for:
 - a. Transfers between facilities for members who require continuous intravenous medication, medical monitoring, or observation.
 - b. Transfers from an acute care facility to another acute care facility.
 - c. Transport for members who have recently been placed on oxygen (does not apply to members with chronic emphysema who carry their own oxygen for continuous use).
 - d. Transport for members with chronic conditions who require oxygen if monitoring is required.
2. Litter van services when the member's medical and physical condition does not meet the need for NEMT ambulance services, but meets both of the following:
 - a. Requires that the member be transported in a prone or supine position, because the member is incapable of sitting for the period of time needed to transport.
 - b. Requires specialized safety equipment over and above that normally available in passenger cars, taxicabs, or other forms of public conveyance.
3. Wheelchair van services when the member's medical and physical condition does not meet the need for litter van services, but meets any of the following:
 - a. Renders the member incapable of sitting in a private vehicle, taxi, or other form of public transportation for the period of time needed to transport.
 - b. Requires that the member be transported in a wheelchair or assisted to and from a residence, vehicle, and place of treatment because of a disabling physical or mental limitation.
 - c. Requires specialized safety equipment over and above that normally available in passenger cars, taxicabs, or other forms of public conveyance.

Members with the following conditions may qualify for wheelchair van transport when their providers submit a signed PCS form (as described below):

- a. Members who suffer from severe mental confusion;
- b. Members with paraplegia;
- c. Dialysis recipients; and

¹⁶ Ibid.

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

- d. Members with chronic conditions who require oxygen but do not require monitoring.
4. NEMT by air only under the following conditions¹⁷:
1. When transportation by air is necessary because of the member's medical condition or because practical considerations render ground transportation not feasible. The necessity for transportation by air shall be substantiated

Prior Authorization

- A. NEMT services are a covered Medi-Cal benefit when a Member needs to obtain medically necessary covered services and when prescribed in writing by a physician, dentist, podiatrist, or mental health or substance use disorder provider or a physician extender, for purposes of enabling a Member to obtain medically necessary covered services or pharmacy prescriptions prescribed by the Member's Provider and those authorized by Medi-Cal Rx.¹⁸
- B. NEMT services are subject to prior authorization. IEHP will authorize the appropriate modality prescribed by the Member's PCP or treating Provider on the Physician Certification Statement (PCS) form. This PCS form, which has been approved by DHCS and includes components required by DHCS to arrange for NEMT services,¹⁹ is available on the secure IEHP Provider portal and IEHP website.²⁰
1. This certification statement remains in effect for 12 months from the date of the Provider's signature.²¹
 2. The PCS form must be completed before NEMT can be provided. Contracted Providers may submit the form electronically through the secure IEHP Provider portal. Non-contracted providers may fax the completed and signed form to IEHP at (909) 912-1049.²²
 3. IEHP can authorize NEMT requests telephonically when the Member requires a covered medically necessary service of urgent nature and a PCS form could not have reasonably been submitted beforehand. The Member's Provider however, must submit a PCS form post-service for the telephone authorization to be valid.²³
 4. IEHP ensures that a copy of the PCS form is on file for all Members receiving NEMT services and that all fields are filled out by the Provider. Additionally, IEHP has developed a mechanism to capture data from the PCS form and report to DHCS, as required.²⁴

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

- C. For covered services requiring recurring appointments, IEHP authorizes NEMT for the duration of the recurring appointments, not to exceed 12 months.²⁵
- D. Prior authorization is not required, when NEMT services are provided to a Member being transferred from an emergency room to an inpatient setting, or an acute care hospital immediately following a stay as an inpatient at the acute level of care to a skilled nursing facility or an intermediate care facility or imbedded psychiatric units, free standing psychiatric inpatient hospitals, psychiatric health facilities, or any other appropriate inpatient acute psychiatric facilities.²⁶
 - 1. To ensure timely transfer following an inpatient stay at the acute level of care, NEMT services must be provided within three (3) hours of the Member or Provider's request. If NEMT services are not provided within the three (3) hour timeframe, the acute care hospital may arrange, and IEHP will cover, out-of-network NEMT services.²⁷
- E. IEHP authorizes the lowest cost type of NEMT that is adequate for the Member's medical needs if multiple modalities are selected by the Member's Provider in the PCS form.²⁸
- F. IEHP ensures door-to-door assistance is being provided for all Members receiving NEMT services.²⁹
- G. IEHP informs Members that they must arrive within 15 minutes of their scheduled appointment. If the NEMT Provider is late or does not arrive at the scheduled pick-up time, the Member is asked to call IEHP so an urgent NEMT ride may be authorized to ensure the Member does not miss their appointment.³⁰

Non-Medical Transportation (NMT)

- A. IEHP does not require prior authorization for NMT services. These services are a covered Medi-Cal benefit when a Member needs to obtain medically necessary services, including those not covered by the health plan, such as, but not limited to, specialty mental health, substance use disorder, dental, and other benefits delivered through the Medi-Cal FFS delivery system, including pharmacy services provided to Members through Medi-Cal Rx. Therefore, IEHP will not apply utilization controls or time or distance standards for NMT to carved-out services not authorized or arranged by the Plan.³¹ NMT services do not include transportation of the sick, injured, invalid, convalescent, infirm, or otherwise incapacitated members who need to be transported by ambulances, litter vans, or wheelchair vans.
- B. IEHP informs Members that they must arrive within 15 minutes of their scheduled appointment. If the NMT Provider is late or does not arrive at the scheduled pick-up time, the

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

Member is asked to call IEHP so the health plan may provide alternate NMT or allow the Member to schedule alternate out-of-network NMT and reimburse for out-of-network NMT.³²

C. Members may ~~be issued~~ request a single or monthly bus pass for transportation if all the following criteria are met:

~~1. Transit is available;~~

~~2. Trip is less than 150) minutes in total duration (roundtrip);~~

~~1. Transit is available Bus stop is no more than one (1) mile walking distance from the Member's address on file. .~~

~~2. CTC will provide the member a single day bus pass if the member has less than four appointments in a month. A monthly bus pass will be provided if member has more than 4 appointments in a month. CTC will verify members appointments before bus pass is issued.~~

~~3. Live within ¾ mile from a bus line~~

~~4. Appointment is ¾ mile from a bus line.~~

~~5. Member does not have mobility limitations.~~

~~3.6. Treatment type is not: Dialysis, Chemotherapy or Radiation~~

~~D. Members who utilize the benefit everyday will be issued a 31 day or a 30 day bus pass depending on where they live.~~

~~D. With the exclusion of dialysis, standing orders for NMT will not be arranged for more than 30 days at a time.~~

~~E. IEHP will provide gas mileage reimbursement consistent with the Internal Revenue Service (IRS) rate for NMT-services provided by private conveyance arranged by the Member for medical purposes when:³³~~

~~F. .~~

~~E.A. With the exclusion of dialysis, standing orders for NMT will not be arranged for more than 30 days at a time.~~

~~F.A. IEHP will provide gas mileage reimbursement consistent with the Internal Revenue Service (IRS) rate for NMT services provided by private conveyance arranged by the Member for medical purposes when:³⁴~~

1. Member attestation is received by phone, electronically or in-person that all other transportation resources available have been exhausted;

9. ACCESS STANDARDS

C. Non-Emergency Medical and Non-Medical Transportation Services and Related Travel Expenses

2. The driver can provide proof of a valid driver's license, valid vehicle registration and valid vehicle insurance; and
3. The trip has been prior authorized by IEHP.

Delegation and Monitoring

- A. IEHP does not delegate the following responsibilities to its Transportation Broker:³⁵
 1. Monitoring and oversight of network Providers and subcontractors;
 2. Grievance and appeals resolution;
 3. Enrollment of NEMT or NMT Providers as Medi-Cal providers; or
 4. Utilization management functions, including the review of PCS forms.
- B. IEHP ensures its Transportation Broker and Providers meet regulatory and contractual requirements. Monitoring activities are performed no less than quarterly and may include but not be limited to:³⁶
 1. Enrollment status of NEMT and NMT Providers;
 2. Non-modification of the level of transportation service outlined in the PCS form; and Modifications to the level of transportation will need to be reviewed and approved by IEHP.
 3. Providing door-to-door assistance for Members receiving NEMT services;
 4. NEMT and NMT Providers arriving within 15 minutes of scheduled time for appointments;
 5. No show rates for NEMT and NMT Providers.

Continued non-compliance will result in intervention, including but not limited to Broker/Provider education, issuance of a corrective action, freezing to new authorizations, leading up to termination of contract.

- C. Transportation Brokers are required to have a process that identifies specific NEMT or NMT Providers, including the name of drivers based on service date, time, pick-up/drop-off location, and Member name, including a process for Members to be able to identify specific drivers in a grievance.³⁷
- D. Members who are found to have misused the transportation benefit will be reported to IEHP Compliance Department and will receive a formal written warning from compliance IEHP. Member ~~and~~ will be expected to correct their behavior. If the behavior is not corrected, IEHP

9. ACCESS STANDARDS

D. Access to Care for Members with Access and Functional Needs

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members.

POLICY:

A. IEHP ensures equal access to the provision of high quality interpreter and linguistic services for Members and potential Members with Limited English Proficiency (LEP) Members and/or disabilities.¹

A.B. IEHP prohibits discrimination against Members on the basis of disability or Limited English Proficiency (LEP).² All IEHP Providers contracted to provide care to Members are required to provide and maintain access to facilities and services to individuals with access and functional needs.³

DEFINITIONS:

A. Service animals – any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.^{4,5}

1. Service animal activities include but are not limited to: guiding people who are blind, alerting individuals who are deaf, pulling wheelchairs, alerting and protecting a person who is having a seizure, or performing other special tasks.
2. Service animals include: Guide dogs; signal dogs; or other dogs individually trained to provide assistance to a person with a disability.

Miniature horses that have been individually trained to do work or perform tasks for people with disabilities can be covered by IEHP in accordance with Americans with Disabilities Act (ADA) regulation standards. Service animals are working animals, not pets.⁶

PROCEDURES:

A. Prior to a Primary Care Provider (PCP) being approved to be assigned Members, IEHP performs a comprehensive access survey for people with disabilities during the initial facility site review of PCP sites. This survey is repeated every three (3) years thereafter. See Policy

9. ACCESS STANDARDS

D. Access to Care for Members with Access and Functional Needs

6A, “Facility Site Review and Medical Record Review Survey Requirements” for more information.⁷

B. Providers who are anticipating modification to their facilities must meet Americans with Disabilities Act Accessibility Guidelines (ADAAG).⁸

1. The ADA and California’s Code of Regulations Title 24 require health care Providers to follow specific accessibility standards and codes when constructing new facilities, and when making alterations that could affect access to or use of the facility by people with disabilities.^{9,10}
2. Providers that need additional assistance in regards to ADAAG can reach out to IEHP’s ADA access line [through its Provider Call Center](tel:9098901916) at (909) 890-1916-2504054 or view the ADAAG online: <https://www.access-board.gov/guidelines-and-standards/buildings-and-sites/about-the-ada-standards/background/adaag#purpose>. For more information on the ADA, Providers can visit IEHP’s “ADA and Beyond” web page: <https://www.iehp.org/en/providers/special-programs?target=independent-living-and-diversity-resources>

C. Service Animals¹¹

1. Access must be provided, whenever feasible, to service animals.
 - a. Providers are prohibited from requiring “certification” or proof of an animal’s training, or proof of a person’s disability, for the purposes of access. Staff may ask two (2) questions: (1) is the dog a service animal required because of a disability, and (2) what work or task has the dog been trained to perform? Evidence of current vaccinations, may be requested.
 - b. Providers must make reasonable modifications in their policies, practices, and procedures when necessary to accommodate Members with disabilities. Generally, this includes modifying any no-pet policies to permit use of a service animal by an individual with a disability.
2. A service animal must be permitted to accompany the Member to all areas of the facility where Members are normally permitted unless a medical justification demonstrates that the presence or use of a service animal would pose a health risk in certain parts of the institution directly involved.¹²
3. Providers may request that the Member be separated from their service animal for short

9. ACCESS STANDARDS

D. Access to Care for Members with Access and Functional Needs

periods of time, if it is necessary to provide a service (i.e. Aqua PT, Audiology testing, or other procedures where there is limited space). The separation should not be any longer than it takes to provide the service.¹³

4. Care and supervision of a service animal are the responsibility of the Member and/or authorized representative. Neither IEHP nor its Providers are required to supervise or care for the service animal. Members need to make their own arrangements to have someone feed, water and walk the animal during necessary separation in a medical facility.¹⁴
5. A service animal shall be under the control of its handler. A service animal shall have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control (e.g., voice control, signals, or other effective means).¹⁵
6. Restrictions on Service Animals
 - a. A person with a disability cannot be asked by Providers to remove their service animal from the premises unless:¹⁶
 - 1) The nature of the goods and services provided, or accommodations offered at the Provider's medical facility would be significantly altered.
 - 2) The safe operation of the medical facility would be jeopardized, or the animal poses a direct threat to the health or safety of others, such as preventing what should be a sterile environment (such as a surgical suite) or present a threat to others' safety (such as an animal being out of control and the owner does not take effective action). Such areas may include, but are not limited to, the following:
 - Operating room suites and post-anesthesia rooms;
 - Burn unit;
 - Coronary care units;
 - Intensive care units;
 - Oncology units;
 - Psychiatric units;
 - Isolation areas;

¹⁴ 28 CFR § 35.136(e)

¹⁵ 28 CFR § 35.136(d)

¹⁶ ADA, 2010 Revised Requirements, Service Animals

9. ACCESS STANDARDS

D. Access to Care for Members with Access and Functional Needs

- Medication storage areas; and
- Clean or sterile supply areas.

D. Access to Care for Deaf or Hard-of-Hearing

1. IEHP provides appropriate auxiliary aids and services to persons with impaired sensory, manual, or speaking skills upon request.¹⁷ [This includes assistive listening systems, sign language interpreters, captioning, written communication, and electronic format.](#)¹⁸
2. Requests for interpreter services at PCP sites, Skilled Nursing Facilities (SNFs), and outpatient visits for Members who are deaf or hard-of-hearing may originate from:
 - a. Member;
 - b. Family member and/or Authorized Representative;
 - c. Member's PCP or Specialist;
 - d. Member's IPA; or
 - e. IEHP.
3. IEHP can better ensure the availability of interpreters for a medical appointment if given at least five (5) working days' notice. As such, those requesting interpreter services should call IEHP Member Services at (800) 440-IEHP (4347)/ TTY (800) 718-4347 at least five (5) working days in advance of the medical appointment and provide the following information:
 - a. Member's full name;
 - b. IEHP Member Identification Number or Social Security Number;
 - c. PCP or Specialist's name;
 - d. Date and location of appointment;
 - e. Time and expected length of appointment;
 - f. Type of interpretation needed (e.g., ASL, oral, or written);
 - g. Preferred gender of the interpreter required; and
 - h. Single or an on-going appointment.
4. It is recommended that the Member or Provider make arrangements for an interpreter at the same time that the medical appointment is being scheduled.

¹⁷ DHCS APL 21-004, "Standards for Determining Threshold Languages, Nondiscrimination Requirements, and Language Assistance Services"

¹⁸ [DHCS-IEHP Primary Operations Contract, Exhibit A, Attachment III, Provision 5.2.10, Access Rights](#)

9. ACCESS STANDARDS

D. Access to Care for Members with Access and Functional Needs

5.4. IEHP and its Providers may not suggest or require that Members provide their own sign language or oral interpreters. However, a family member or friend may be used as an interpreter if this is requested by the Member after being informed of their right to use free interpreter services. The use of such an interpreter should not compromise the effectiveness of services or violate the Member's confidentiality. Minors should not be used as interpreters except for extraordinary circumstances such as medical emergencies ~~or if the Member~~. ~~The Plan must ensure~~ The Member's refusal of free interpreter services and their request to use family members, friends, or a minor child as an interpreter must be documented in the Member's² medical record.¹⁹

6.5. Video Remote Interpreting (VRI) services do not require a prior authorization from IEHP. VRI is available to Members who are deaf or hard-of-hearing while accessing health plan services at contracted Urgent Care Facilities and SNFs.

- a. Providers may contact ~~the~~ IEHP through its Provider ~~Relations Team~~ Call Center for VRI set-up and technical assistance at (909) 890-2054.
- b. The following Member information will be collected by the VRI vendor at the start of the VRI session:
 1. IEHP Member First Name;
 2. IEHP Member Last Name; and
 3. IEHP Member Date of Birth.

7.6. Medical appointments may be rescheduled by a Member's health care Provider, upon agreement of both parties, if there is no qualified interpreter available for the Member at that time.

8.7. Members have the right to file a grievance if their access accommodations are unjustifiably denied.²⁰

9.8. Grievances and Member requests for disenrollment mentioning inadequate access for people with disabilities are carefully analyzed and ~~researched~~ investigated to determine areas where improvements can be made.

E. IEHP and Provider Responsibilities

1. For interpretation services, including American Sign Language (ASL), oral, and signed English, all Practitioners must provide interpreters as requested for Member appointments at no charge to the Member.²¹

9. ACCESS STANDARDS

D. Access to Care for Members with Access and Functional Needs

2. All Hospitals must provide interpreters as needed for inpatient and emergency services. The Hospitals are responsible for the cost and arrangement of interpretation services.²²
3. IEHP is responsible for the cost of the interpretation services for PCP and outpatient visits.^{23,24}
4. IEHP authorizes all interpretation service requests and will make the arrangements, which include, but are not limited to:
 - a. Confirming with the agency the scheduled interpreter’s name and expected arrival time;
 - b. Providing a telephonic confirmation to the health care Provider; and
 - c. Providing confirmation to the Member through their preferred method of communication, e.g., telephone, TTY, Video Phone Relay, California Relay Services (Teletypewriter (TTY)/Voice Carry-Over (VCO)/Hearing Carry-Over (HCO)), or e-mail.
5. IEHP is responsible for the cost of ASL VRI services for Members at contracted Urgent Care Facilities and SNFs.^{25,26} Contracted Urgent Care Facilities and SNFs are responsible for the cost, maintenance, and connectivity (Wi-Fi, Cellular, LAN) of IEHP-approved VRI equipment. ~~(See the “Attachment/,” “Video Remote Interpretation Approved Devices and Technical Specifications” found in the IEHP website.²⁷ in Section 9 IEHP Portal).~~
6. Members and their family members, friends, associates, and/or authorized representatives may make standing requests to receive all written Member information, including clinical Member information, in a specified threshold language and/or in an alternative format (such as braille, large-size print, secure electronic, or audio formats) by contacting IEHP Member Services.^{28,29,30}
7. IEHP consults stakeholders with disabilities to continuously evaluate and maintain accessibility of services for Members with disabilities. See Policy 2E – “Persons with Disabilities Workgroup (PDW).”

9. ACCESS STANDARDS

E. Access to Services with Special Arrangements

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members.

POLICY:

A. IEHP and its IPAs ensure that Members have access to medically necessary covered services, including but not limited to services with special arrangements.

PURPOSE:

A. To ensure that Members have access to services with special arrangements.

DEFINITION:

A. Sensitive Services – All health care services related to mental or behavioral health, sexual and reproductive health, sexually transmitted infections, substance use disorder, gender affirming care, and intimate partner violence, and minor consent services, as outlined in this policy.¹

PROCEDURES:

A. Services with special arrangements include the following:

1. **Family Planning** – Members may access family planning services through any contracted or non-contracted family planning Provider without prior authorization.² Please see Policy 10G, “Family Planning Services.”
2. **Sexually Transmitted Infection (STI) Preventive Care, Diagnosis and Treatment** – Members may access STI services without prior authorization both within IEHP’s Provider network and from an out-of-network Local Health Department (LHD), any qualified family planning Provider, or any other Provider who treats STIs within his or her scope of practice.³ Please see Policy 10H, “Sexually Transmitted Infection Services.”
3. **HIV Testing and Counseling** – Members may access confidential HIV testing and counseling services without prior authorization within IEHP’s Provider network and from an out-of-network LHD or any qualified family planning Provider.^{4,5,6,7} Please see

¹ California Civil Code (Civ. Code) § 56.05(p)

E. Access to Services with Special Arrangements

Policy 10I, “HIV Testing and Counseling.”

4. **Immunization** – Immunizations are preventive services not subject to prior authorization requirements.^{8,9,10,11} Please see Policy 10B, “Adult Preventive Services.”
5. **Indian Health Services (IHS) Programs** –Members must have timely access to Indian Health Services (IHS) Providers within the Plan’s network, where available. IHS Providers, whether within or outside the network, can provide referrals directly to network Providers without requiring a referral from a network Primary Care Provider (PCP) or prior authorization.¹²

B. Minor Consent Services

1. Members under the age of 18 may access the following services through any Provider within or outside IEHP’s Provider network without requiring prior authorization or parental consent:¹³
 - a. Treatment for sexual assault, including rape;¹⁴
 - b. Treatment for intimate partner violence;¹⁵
 - c. Drug or alcohol treatment services (for children 12 years of age and older);¹⁶
 - d. Pregnancy-related services;¹⁷
 - e. Family planning services;
 - f. STI preventive care, diagnosis, and/or treatment (for children 12 years of age and older);¹⁸
 - g. HIV testing;
 - h. Behavioral health care (outpatient mental health care for children 12 years of age and older who are mature enough to participate intelligently in their health care);¹⁹ and
 - i. Abortion services.²⁰

9. ACCESS STANDARDS

E. Access to Services with Special Arrangements

2. There are additional regulations that deal specifically with services provided to minors (See Attachment, “California Minor Consent and Confidentiality Law” ~~in Section 9~~ [found on the IEHP website](#)).²¹ Prior to any reliance on the information included, please check the citations for a comprehensive understanding of the statutes, as well as any updates and/or changes to the law. Additionally, please refer to your legal counsel for official interpretation or other laws/regulations that may be applicable.
- C. Other authorization or access requirements include:
1. **Pregnancy-Related Services** – Services do not require prior authorization and can be provided by any credentialed obstetrical Practitioner within the IPA’s network.²²
 2. **Abortion Services** – Abortion is a covered benefit regardless of the gestational age of the fetus. Medical justification is not required. Services do not require prior authorization and can be obtained through any contracted or non-contracted qualified Provider consistent with the DHCS Medi-Cal Provider Manual.²³ Coverage includes medical services and supplies incidental or preliminary to an abortion. The Plan does not impose annual or lifetime limits on the coverage of outpatient abortion services.²⁴ However, no physician or other health care provider who objects to performing abortion services is required to do so, and no person refusing to perform an abortion is to be subject to retaliation in any form for such a choice.²⁵
 3. **Behavioral Health Care** - The PCP is responsible for behavioral health care within his/her scope of practice, otherwise, the Member may be referred or may self-refer to the appropriate Behavioral Health Provider or County Behavioral Health Department. Please see Policy 12K1, “Behavioral Health – Behavioral Health Services” for more information.
 4. **Substance Use (Drug or Alcohol) Disorder Treatment Services** - Substance use disorder (SUD) services are provided by the SUD program at the Member’s county of residence or Medi-Cal Fee-For-Service (FFS). See Policy 12K2, “Behavioral Health – Substance Use Disorder Treatment Services” for more information.
 5. For more specific information regarding authorization requirements and other details, see Sections 10, “Medical Care Standards” and 14A, “Utilization Management.”
- D. If a Provider has religious or ethical objections to perform or otherwise support the provision of covered services, IEHP and its IPAs will timely arrange for, coordinate, and ensure the Member receives the covered services through referrals to a Provider that has no religious or ethical objection to performing the requested service or procedure at no additional expense to

the Department of Health Care Services (DHCS) or the Member.²⁶

- E. Medical information related to sensitive services must only be disclosed to the Member receiving care, absent an express authorization of the Member.²⁷
- F. Members are informed of their rights to access sensitive services and services with special arrangements through the Member Handbook.
- G. Members, regardless of age, may obtain information regarding access to care and assistance with scheduling appointments for sensitive services through IEHP Member Services at (800) 440-4347 or their PCP's office. Assistance is provided with complete confidentiality.
- H. Periodic monitoring of Provider compliance is performed through review of encounter data and medical record review. See Policy 6A, "Facility Site Review and Medical Record Review Survey Requirements and Monitoring," for more information.

9. ACCESS STANDARDS

F. Open Access to Obstetrical or Gynecological Services

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members.

POLICY:

- A. IEHP and its IPAs must allow women to directly access, without prior authorization,¹ obstetrical or gynecological (OB/GYN) Physician services through participating OB/GYNs or Family Practitioners (FP) that meet IEHP credentialing standards to provide obstetrical and gynecological services.^{2,3}
- B. Members may only obtain direct access from those OB/GYNs or FPs within the IPA to which they are assigned and use their assigned Hospital for facility-based services.⁴

PROCEDURES:

- A. FPs participating under this policy must be credentialed by IPAs in accordance with IEHP standards for obstetrical privileges.^{5,6}
- B. Typical conditions and procedures for which a woman can directly access an OB/GYN or eligible FP include, but are not limited to, the following. Please see Section 10, “Medical Care Standards” for services that may be obtained from contracted and non-contracted providers.
1. Abdominal/Pelvic Pain
 - a. Salpingo-oophoritis
 - b. Endometriosis
 - c. Pelvic Inflammatory Disease (PID)
 2. Abortion
 3. Abnormal uterine bleeding
 4. Breast Mass
 5. Bartholin Gland Enlargement/Cyst
 6. Dysmenorrhea

9. ACCESS STANDARDS

F. Open Access to Obstetrical or Gynecological Services

7. Ectopic Pregnancy
 8. Endometriosis
 9. Dysuria
 10. Estrogen Replacement
 - a. Therapy/hormonal changes
 11. Family Planning/Birth Control
 12. Mastitis
 13. Menopause
 14. Premenstrual Syndrome (PMS)
 15. Pregnancy/Perinatal Care
 16. Sexually Transmitted Infection (STI) Testing and/or Treatment
 17. Vaginitis
 18. Well Woman Exam
 - a. Cervical Cancer Screening
 - b. Breast Exam
 19. Colposcopy
 20. Endometrial Biopsy
- C. The OB/GYN or FP providing care to Members under this policy must obtain prior authorization from IEHP or the IPA for procedures, surgery or other services beyond a “well woman” exam, routine or follow-up office visits. Examples of services requiring prior authorization include, but are not limited to, the following:
1. Diagnostic Procedures
 - a. Amniocentesis
 - b. Computer Tomography (CT)
 - c. Ultrasound
 - d. Other specialty diagnostic procedures
 - e. Magnetic Resonance Imaging (MRI)
 2. Services
 - a. Referrals to other specialists
 3. Surgical Intervention
 - a. Dilation and Curettage (D & C)
 - b. Hysterectomy
 - c. Laparoscopy
 4. Treatments
 - a. Cone biopsy

9. ACCESS STANDARDS

F. Open Access to Obstetrical or Gynecological Services

b. Cryosurgery

- D. Any OB/GYN or FP providing care to Members under this policy is required to communicate to the Member's PCP the Member's condition, treatment and any need for follow-up care. See Policy 14D, "Pre-service Referral Authorization Process". OB/GYNs or FPs can meet this requirement by providing this information to the Member's IPA, which then must forward the information to the PCP.⁷
- E. OB/GYNs and FPs providing care to Members under this policy are encouraged to either contact their IPA when initiating treatment, or to provide appropriate clinical information when submitting claims to the IPA to ensure timely and appropriate processing of claims.
- F. IEHP and its IPAs are required to reimburse OB/GYNs and FPs providing care to Members under this policy utilizing appropriate claims review and processing standards. Approval types for visit codes and other CPT codes must follow appropriate claims review processes and not be arbitrarily pre-determined.
- G. OB/GYNs and FPs providing care to Members under this policy must first appeal denied or disputed claims to the IPA. If the appeal is denied, claims appeal should be directed to IEHP at:
- Inland Empire Health Plan
Claims Department
P.O. Box 4349
Rancho Cucamonga, CA 91729-4349
- H. If IEHP determines that the IPA has denied payment for services rendered under this policy, IEHP will reimburse the Provider and adjust capitation to the IPA.
- I. IEHP and its IPAs should have a structure in place to monitor compliance with this policy. Process should include, but not be limited to, review of denied OB/GYN services, review of Member and Provider grievances, and review of Provider appeals and denial of OB/GYN Provider claims.
- J. IEHP will perform ongoing monitoring to assure compliance with these requirements. Persistent failure to comply with these requirements will result in negative action against the IPA, up to termination of the IEHP-IPA contract.⁸
- K. Information regarding this policy or questions related to it can be obtained by calling the IEHP Provider [Relations-Call Center](#) Team at (909) 890-2054.

9. ACCESS STANDARDS

G. Cancer Treatment Services

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members.

POLICY:

- A. IEHP and its IPAs ensure Members' access to medically necessary screening and treatment services for cancer according to nationally recognized clinical criteria.¹
- B. IEHP does not require prior authorization or cost-sharing for preventive services.^{2,3} This includes cancer screenings that are United States Preventive Services Task Force (USPSTF) Part A and B recommendations.

PROCEDURES:

Cancer Treatment

- A. IEHP contracts define physician and other professional services as the responsibility of the IPA. This responsibility includes payment of services accessed by Members under this policy.
- B. IEHP requires Members to obtain all care and services for cancer screening or diagnostic testing from credentialed IEHP Providers (including Physicians, Surgeons, Nurse Practitioners, Physician Assistants, Certified Nurse Midwives, or other Providers of service) within the IPA to which they are assigned.
- C. IEHP and its IPAs may require prior authorization for the following referral requests related to cancer treatment services, but the services must be provided if medically necessary:
1. Surgical treatments;
 2. Chemotherapy;
 3. Radiation therapy; and
 4. Treatments for complications related to cancer treatments.
- D. For reconstructive surgery or prosthetic devices necessary to restore symmetry to a Member after surgical resection of cancer, IEHP and its Delegated IPAs can subject the request to prior authorization process.⁴
- E. IEHP requires Members obtaining care and services for cancer to receive services from the Member's assigned Hospital.
- F. A Member's treating Physician who is providing covered health care services may determine

that participation in a clinical trial has a meaningful potential to benefit the Member diagnosed with cancer. The treating Physician may request for authorization and if approved, coverage must be provided for all routine Member care costs related to a clinical trial for a Member who is accepted into a clinical trial. The clinical trial endpoint must not be defined exclusively to test toxicity but must have a therapeutic intent.⁵

1. “Routine Member care costs” include costs associated with the provision of health care services including drugs, items, devices, and services that would be associated with routine care or with care related to the clinical investigation including:^{6,7}
 - a. Health care services typically provided in the absence of a clinical trial;
 - b. Health care services required solely for the provision of the investigational drug, item, device, or service;
 - c. Health care services required for the clinically appropriate monitoring of the cancer treatment;
 - d. Health care services provided for the prevention of complications arising from the cancer clinical trial; and
 - e. Health care services needed for the reasonable and necessary care arising from complications of the cancer clinical trial.
2. “Routine Member care costs” do not include the following and are not Medi-Cal reimbursable:⁸
 - a. Drugs or devices that have not been approved by the FDA and that are associated with the clinical trial;⁹
 - b. Services not directly associated with health care such as travel, housing, companion expenses, and other non-clinical expenses associated with the clinical trial;
 - c. Items or services provided solely for data collection and analysis needs and that are not used in the clinical management of the Member;¹⁰
 - d. Health services associated with the cancer clinical trial that are otherwise specifically excluded from coverage under the Member’s health plan;¹¹ and
 - e. Health care services customarily provided by the research sponsors free of charge for the Member in the clinical trial.¹²

3. Treatment shall be provided in a clinical trial that:¹³
 - a. Involves a drug that is exempt under federal regulations from a new drug application; or
 - b. Is approved by one of the following:
 - 1) The National Institutes of Health;
 - 2) The FDA, in the form of an investigational new drug application;
 - 3) The United States Department of Defense; or
 - 4) The United States Department of Veterans Affairs
 4. For more information on Member rights to file grievances and appeals, please see Section 16, "Grievance and Appeal Resolution System."
- B. IEHP and its IPAs can direct all services noted above to contracted in-network Providers whose scope of practice includes these services. If an appropriately qualified Provider is not available within the IPA network, arrangements must be made for the Member to receive care from an appropriately qualified Provider outside the IPA network.
- C. IEHP and its IPAs are required to reimburse Providers rendering care to Members under this policy according to the guidelines above, using appropriate claims review and processing standards. Please see Policy 20A, "Claims Processing" for more information.

9. ACCESS STANDARDS

H. Cultural and Linguistic Services

1. Language Assistance Capabilities

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members.

POLICY:

- A. IEHP ensures effective communication with individuals with disabilities and provides meaningful access to Members and potential Members with limited English proficiency (LEP) through the administration of the Cultural and Linguistics Program and Disability Program.¹
- B. IEHP provides oral and written Member information in the threshold languages designated by the Department of Health Care Services (DHCS), in accordance with federal and state regulations.^{2,3}

DEFINITIONS:

- A. Threshold Language – DHCS’ Medi-Cal Managed Care Division (MMCD) defines threshold language as any primary language of at least 5% of the eligible individuals in a plan’s service area.^{4,5}
- B. Point of contact – An instance in which ~~an a Member or potential Member enrollee~~ accesses the services covered under the Plan contract, including:⁶ ~~administrative and clinical services, and telephonic and in-person contacts.~~⁷
1. Medical care settings, including but not limited to telephone, advice and urgent care transactions, and outpatient encounters with health care Providers including pharmacists; and
 2. Non-medical care setting, including but not limited to Member services, orientations, and appointment scheduling.
- ~~B.C.~~ Qualified Interpreter – A qualified interpreter for an individual with a disability or LEP is an interpreter who:⁸
1. Have demonstrated proficiency in speaking and understanding both English and the

language spoken by the Member with LEP.

2. Adheres to generally accepted interpreter ethics principals, including client confidentiality; and
3. ~~Is a~~Able to interpret effectively, accurately, and impartially, both receptively and expressively, using any necessary specialized vocabulary, terminology, and phraseology.

PROCEDURES:

A. Provider Language Capability

1. All IEHP network Providers, including but not limited to IPAs, Hospitals, Pharmacies, and Long Term Services and Supports (LTSS) Providers, must provide equal access to health care services, both clinical and non-clinical, in a linguistically competent manner for Members who are LEP or non-English speaking.^{9,10} IPAs must submit material requiring transcription to an alternative format to IEHP within 24 hours of an identified need. IEHP will send any alternative format letters requests to the Vendor.
2. IEHP lists all language capabilities of Providers and/or their staff in the Provider Directory.¹¹
3. IEHP verifies the capability of Providers to provide services in the threshold language at the time of entry into the network. IEHP continues to monitor Provider language capabilities through an annual language competency audit.^{12,13,14} See Policy 9H2, “Cultural and Linguistic Services – Threshold Language Competency Audits” for more information.
4. Providers must provide written materials to Members in designated threshold languages.¹⁵
- 4.5. IEHP and its IPAs ensure Members are referred to culturally and linguistically appropriate community service programs.¹⁶

B. Interpretation Services

1. IEHP ensures that timely access to care will not be delayed due to any lack of interpreter

- ~~1.2.~~ All Hospitals must provide interpreters as needed for inpatient and emergency services. The Hospitals are responsible for the cost and arrangement of interpretation services.¹⁸
- ~~2.3.~~ Providers must be able to facilitate interpreter services as needed for Member appointments. IEHP covers the costs of the interpretation services for Primary Care Provider (PCP) and outpatient visits.¹⁹
- a. Sign language interpretation must be provided in accordance with Policy 9D, “Access to Care for Member with Access and Functional Needs.”
- ~~3.4.~~ IEHP has contracted with a qualified telephonic interpretation service to provide telephonic interpretation services to Members twenty-four (24) hours a day, seven (7) days a week [at all key points of contact. Members and potential Members, who are monolingual, non-English-speaking or with Limited English Proficiency \(LEP\).](#) ~~IEHP Members~~ and Providers may access this service at no cost.
- a. Members, [potential Members](#) and Providers can call IEHP Member Services to access this telephone interpretation service during business hours.
- b. After business hours, Members and Providers can call the 24-Hour Nurse Advice Line at (888) 244-IEHP (4347), if TTY is needed dial 711 for TTY users to access qualified interpretation services.
- C. Members have the right to request a qualified interpreter at no charge for discussions of medical information and behavioral health information at key points of contact.^{20,21,22}
- D. Providers must not require or suggest the use of family members or friends as interpreters. However, a family member or friend may be used as an interpreter if this is requested by the Member after being informed of their right to use free interpreter services. The use of such an interpreter should not compromise the effectiveness of services or violate the Member’s confidentiality. Minors should not be used as interpreters except for extraordinary circumstances such as medical emergencies.^{23,24}
- E. Providers should document the Member’s request for or refusal of interpreter services in their

H. Cultural and Linguistic Services

2. Language Competency Study

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Providers.

POLICY:

- A. IEHP surveys the capability of its Providers to provide services in threshold languages. Threshold languages for Riverside and San Bernardino Counties, as defined by the California Department of Health Care Services (DHCS), are English, Spanish, Chinese (including Mandarin and Cantonese), and Vietnamese.¹
- B. IEHP surveys on an annual basis all Primary Care Providers (PCPs), and High-volume Specialist offices that have been identified as having the ability to speak Spanish, Chinese (including Mandarin and Cantonese), and Vietnamese. These Providers are listed in the IEHP Provider Directory as having threshold language-speaking capabilities.

PROCEDURES:

- A. On an annual basis, IEHP surveys threshold language-speaking Providers for language capability. The technique utilized for assessing targeted language competency within the Provider site includes, but is not limited to the following steps:
1. The survey is sent to all PCP and High-Volume Specialist offices via fax and/or email, with return response due within ten (10) business days. The survey will inquire about:
 - a. Who in the office speaks the threshold language (Doctor/clinical staff and office staff, doctor/clinical staff only and non-clinical staff only);
 - b. How many people in the office speak the threshold language; and
 - c. Confirmation that answering machine or answering service used when the office is closed include threshold language-speaking options.
 2. If IEHP does not receive a response from the Provider regarding the threshold language inquiry, the Provider will be included in the second round of faxes/emails, with a response due date of ten (10) business days.
 3. If the Provider still does not respond, IEHP will conduct phone calls to the Provider offices to conduct the survey telephonically. The telephones surveys will be conducted within a two (2) week period.
 - a. Providers who do not demonstrate adequate threshold language-speaking capabilities are listed in the Provider Directory and portals as not meeting the language capability requirements and are provided resources to expand and improve language assistance services

3. Non-Discrimination

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members.

POLICY:

A. All Members must receive access to all covered services without restriction based on race, color, ethnicity, ethnic group identification, national origin, ancestry, language, religion, sex, age, mental or physical disability or medical condition, gender, gender identity, sexual orientation, claims experience, medical history, evidence of insurability (including conditions arising out of acts of domestic violence), genetic information, marital status, or source of payment.^{1,2,3,4,5}

PROCEDURES:

- A. All IEHP contracted Providers and other subcontractors are required to render services to all Members assigned or referred to them. Providers and other subcontractors may not refuse services to any Member based on the criteria listed in this policy.⁶
- B. IEHP investigates all grievances alleging discrimination, and takes appropriate action with Team Members, Provider organizations, and other subcontractors. All discrimination-related grievances are forwarded to the Department of Health Care Services (DHCS) for review and appropriate action.⁷
- C. IEHP posts Notice of Non-Discrimination on all publications and communications targeted to Members, potential Members, and the public. Notice is posted in a conspicuously visible font size in physical locations where IEHP interacts with the public, as well as in a conspicuous location on the IEHP website that is accessible on the home page.⁸

9. ACCESS STANDARDS

I. Access to Care During a Federal, State or Public Health Emergency

APPLIES TO:

A. This policy applies to all IEHP Medi-Cal Members.

POLICY:

- A. IEHP and its IPAs maintain policies and procedures that ensure Members' access to medically necessary health care services, equipment and covered drugs is not disrupted in these situations:¹
1. Members being displaced by a state of emergency;^{2,3}
 2. Issuance of a presidential major disaster or emergency declaration; or
 3. Declaration of a public health emergency by the Secretary of Health and Human Services.

PURPOSE:

A. To ensure that Members maintain access to medically necessary health care services, equipment and covered drugs during a Federal, State, or public health emergency.

DEFINITIONS:

- A. State of Emergency – Duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions such as but not limited to air pollution, fire, flood, storm, epidemic, riot, drought, cyberterrorism, sudden and severe energy shortage, and plant or animal infestation or disease.⁴
- B. Presidential Major Disaster – The United States President can declare a major disaster for any natural event, that the President determines has caused damage of such severity that it is beyond the combined capabilities of state and local government to respond.⁵
- C. Presidential Emergency Declarations - The United States President can declare an emergency for any occasion or instance when the President determines federal assistance is needed.⁶
- D. Public Health Emergency – The Secretary of DHHS may determine that a disease or disorder presents a public health emergency; or that a public health emergency, including significant outbreaks of infectious disease or bioterrorist attacks, otherwise exists. These declarations

9. ACCESS STANDARDS

I. Access to Care During a Federal, State or Public Health Emergency

last for the duration of the emergency or 90 days but may be extended by the Secretary.⁷

PROCEDURES:

- A. IEHP educates Members proactively on how to access medically necessary health care services, equipment and covered drugs during a Federal, State, or public health emergency.
- B. IEHP monitors the Federal Emergency Management Agency (FEMA) for issuance of Presidential Major Disaster or Emergency Declarations, the Department of Health and Human Services (DHHS) website for public health emergency declarations, the Centers for Medicare and Medicaid Services (CMS) website, the Department of Managed Health Care (DMHC) and Department of Health Care Services (DHCS) for State of Emergency declarations, along with county websites and other non-regulatory entities such as Southern California Edison.
- C. IEHP informs DMHC and DHCS of the following within 48 hours of a declaration of a State of Emergency that displaces or has the immediate potential to displace Members:^{8,9}
 1. Describing whether the Plan has experienced or expects to experience any disruption to plan operations;
 2. Explaining how the Plan is communicating with potentially impacted Members; and
 3. Summarizing actions the Plan has taken or is in process of taking to ensure the health care needs of Members are met.
- D. IEHP performs the following to support its IPAs and Providers in ensuring Members continue to have access to medically necessary health care services, equipment and covered drugs during a Federal, State, or public health emergency:
 1. Upon identification or notification of a Federal, State, or public health emergency declaration, IEHP identifies Members affected or at risk of being affected by the declaration.
 2. IEHP notifies its IPAs, Providers, and Members of the nature and authority declaring the state of emergency and steps the health plan will complete to support its Members and Provider network:
 - a. Members - Communication will be made through, but not limited to, these methods: texts, calls, website banners, social media, web content, etc.

- b. IPAs/Providers/Facilities/Pharmacy Network – Communication will be made through, but not limited to, these methods: blast fax, e-mail, website banners, Pharmacy and Provider web pages, etc.
- E. IEHP works with its IPAs to ensure that Members maintain access to medically necessary health care services, equipment and covered drugs within 48 hours by:^{10,11}
- 1. Relaxing prior authorization requirements for medically necessary drugs and services;
 - 2. Extending filing deadlines for claims;
 - 3. Authorizing a Member to replace medical equipment or supplies;
 - 4. Allowing a Member to access an appropriate out-of-network provider if an in-network Provider is unavailable due to the state of emergency or if the Member is out of the area due to displacement;
 - 5. Encouraging Members to maintain routine care via all applicable means including telehealth visits;
 - 5.6. Having a toll-free telephone number that an affected Member may call for answers to questions, including questions about the loss of health insurance identification cards, and access to care; and
 - 6.7. Suspending prescription refill limitations and allowing an impacted Member to refill their prescriptions at an out-of-network pharmacy.
- F. IEHP’s Behavioral Health and Care Management (BH & CM) department coordinates with the Riverside University Health System (RUHS) Behavioral Health and San Bernardino County Behavioral Health Departments to ensure access to behavioral health care for Members during these emergencies.
- G. At the request of IEHP, IPAs must provide the following, at minimum, to demonstrate their compliance with these requirements:
- 1. Identified point(s) of contact to support these efforts;
 - 2. Policies and procedures; and
